*** Normally we would not substitute *EFW 6 (# of applications received) for *EFW 7 (# of applications approved) because *EFW 6 would be a larger number than *EFW 7. Clients #'s for *EFW 6 (# of applications received) for BOG C was much, much lower than the CCCCO's website #'s for *EFW 7 (# of applications approved), so therefore we used multiplier *EFW 6 for code 25.

Hi Sergio,

Ross signed these forms on Friday.

The Registration Worker rate from 7/1/01 is $8.25

Before 7/1/01 the rate was $7.99.

I am working on the rates for A/R II and Temporary Office Worker.

Thank you.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

APPENDIX 1

Resolution of the Board of Governors of the California Community Colleges No. 2006-02

Whereas, California Education Code section 76300 was recently amended by Assembly Bill 1802 (Stats. 2006, ch. 79) to reduce the enrollment fee from $26 per unit to "($20) per unit per semester, effective with the spring term of the 2006-07 academic year;" and

Whereas, There are indications that the Legislature actually intended to have the reduction in the enrollment fee begin with any term beginning on or after January 1, 2007, even if that term begins before the "Spring 2007" semester or quarter; and

Whereas, Many colleges with intersessions beginning before the Spring 2007 term will soon begin early registration during which students will be simultaneously enrolling in classes for both the intersession and for the regular Spring term; and

Whereas, Under these circumstances it will be administratively difficult and confusing to students to require colleges to charge $26 per unit for intersessions and $20 for the Spring term; and

Whereas, California Education Code section 76300 also gives the Board of Governors authority to proportionately adjust the per unit enrollment fee for intersessions; *now therefore, be it*

Resolved, That the Board of Governors of the California Community Colleges hereby takes the following actions:

For any term or intersession beginning on or after January 1, 2007, and prior to the Spring 2007 semester or quarter, a community college district may charge an enrollment fee of $20 per semester unit or $13 per quarter unit. In addition, for any subsequent term or intersession for which the Legislature has authorized a fee of $20 per semester unit, a community college district shall charge an enrollment fee of $13 per quarter unit if applicable.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

308/95 Enrollment Fee Collection and Waivers
Fiscal Years: 2004-2005 to 2006-2007
Enrollment Fee Waivers Offsets

Purpose: To illustrate that waiver offsets for most fiscal years were higher than waiver costs and to show actual waiver offset amount being used on EFCW-1.
Source: Waiver costs from EFCW-1 and Waiver offset from Sch. 5
Findings:

ref	Item	Source (EFCW-1)	2005-06	2006-07
1	Policies & Procedures for § IV.B.	(04)(B)(1)(a)	$ 22,729.16	$ 686.31
2	Staff Training	(04)(B)(1)(b)	$ 9,694.53	$ 7,680.79
3	Adopting procedures, recording/maintaining records	(04)(B)(2)(a)	$ 144,613.30	$ 14,569.29
4	Waiving student fees	(04)(B)(2)(b)	$ 444,612.29	$ 441,100.56
5	Reporting BOG fee waiver data to CCC	(04)(B)(2)(c)	$ 205.85	$ 1,114.48
6	EFCW - Fee Waiver Costs	Total	$ 621,855.13	$ 465,151.43
7	Less: Total Enrollment Fee Waiver Offset	Sch. 5	$ 906,740.00	$ 864,820.00
8	Fee Waiver Costs to claim after offsets	L6 - L7	$ (284,884.87)	$ (399,668.57)
	Offset Amount to Claim	**To EFCW -1, line 10**	**$ 621,855.13**	**$ 465,151.43**

Conclusion: If line 8 is negative, then line 6 - "Total EFCW waiver costs" will be carried forward to EFCW-1, line 10. Otherwise, line 7 - "Total Enrollment Fee Waiver Offset" from Schedule 5 will be carried forward to EFCW-1, line 10.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the *Parameters and Guidelines* are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

***EFC Workload Multiplier (Client Provided) except Code 12 used default EFC 2.**
EFC 1 - Total number of students who enroll in the college
EFC 2 - Total number of students who paid enrollment fees
EFC 4 - Total number of students with enrollment fee accounts receivable (did not pay in full at time of registration)
EFC 5 - Total number of enrollment fee refunds due to change in waiver eligibility and not a result of just a change in class load

****Activity Codes**
11 - Reference the student account or record which lists student courses, status of payments, and waiver eligibility, and printing out a list of enrolled courses.
12 - Calculating the enrollment fee, collect the payment or receivable, update student account/record, and print out receipt/course list/other report.
13 - Answer Questions and/or referring student to the appropriate person for an answer.
14 - Updating Student File for the enrollment fee information, and providing a copy to the student.
15 - Amounts Receivable/Delinquencies: Collecting enrollment fees due/delinquent (telephone contact, written notices, collection agencies, small claims court, etc.)
16 - Refunds for students who later become eligible for waivers (not just course changes), explain the process, and update student account/record.
