Notes

Item #1, (Enrollment Fee Revenue Net) and item #2, (Enrollment Fees Waived) was pulled using Brio.

Item #3 (2% Enrollment Fees Waived) is computed by multiplying Enrollment Fees waived by 2%.

Item #4 (Number of Credit Units for which enrollment fees were waived), is calculated by taking the Enrollment fees waived divided by the costs per unit.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Notes

Item #1, (Enrollment Fee Revenue Net) and item #2, (Enrollment Fees Waived) was pulled using Brio.

Item #3 (2% Enrollment Fees Waived) is computed by multiplying Enrollment Fees waived by 2%.

Item #4 (Number of Credit Units for which enrollment fees were waived), is calculated by taking the Enrollment fees waived divided by the costs per unit.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Notes

Item #1, (Enrollment Fee Revenue Net) and item #2, (Enrollment Fees Waived) was pulled using Brio.

Item #3 (2% Enrollment Fees Waived) is computed by multiplying Enrollment Fees waived by 2%.

Item #4 (Number of Credit Units for which enrollment fees were waived), is calculated by taking the Enrollment fees waived divided by the costs per unit.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Notes

Item #1, (Enrollment Fee Revenue Net) and item #2, (Enrollment Fees Waived) was pulled using Brio.

Item #3 (2% Enrollment Fees Waived) is computed by multiplying Enrollment Fees waived by 2%.

Item #4 (Number of Credit Units for which enrollment fees were waived), is calculated by taking the Enrollment fees waived divided by the costs per unit.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Notes

Item #1, (Enrollment Fee Revenue Net) and item #2, (Enrollment Fees Waived) was pulled using Brio.

Item #3 (2% Enrollment Fees Waived) is computed by multiplying Enrollment Fees waived by 2%.

Item #4 (Number of Credit Units for which enrollment fees were waived), is calculated by taking the Enrollment fees waived divided by the costs per unit.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
