FAX TRANSMITTAL

DATE: July 7, 2006

FAX TO: Nancy Bailey
Gavilan Community College District
408-846-4994

CC: John Hendrickson

FROM: Sergio M. Perez

SUBJECT: DOCUMENT REQUEST
308/95 Enrollment Fee Collection and Waivers
Fiscal Years: 1998-99 through 2004-2005

PLEASE RESPOND BY: July 11, 2006

In comparing enrollment data available on the Chancellor's Office website for your district with data submitted by you, we noted some significant differences. We will need clarification on these differences before we can continue to process your claims. Attached is a comparison sheet for your review.

The reported number of students enrolled is higher than the count from the Chancellor's Office website. Normally the Chancellor's numbers are higher than the colleges numbers, due to the Chancellor's numbers including non-resident students and non-credited students. Please explain the difference for each year.

If we do not get a response from you by the date noted above, we will have to use the numbers from the Chancellor's report to prepare the claims.

Thank you.

RE: Mandated Costs Claims for: Enrollment Fee Collection and Waivers

---

Attached are the following completed forms:

MPR 1.6a Forms which have been updated for Dena Kehler and I.

EFCW 1.8-2 Form, which lists the number of refunds processed as a result of change in waiver eligibility. We have data on refunds going back only two years.

EFCW 1.8-3 Form which lists data on the number of enrolled fee waivers approved. The 05-06 box is blank as I am waiting for Dave Phillips to provide me with this data. He returns on Wednesday 7/5; I'll contact him for this data and will contact you as soon as I have it.

For the number of enrollment fee waivers requested, we have data only for 05-06. There were roughly 81 students who were denied a waiver. I was going to add 81 to 2005-06 approved number for this section. For the other years, we do not have this data.

PRODUCTIVE HOURLY RATE UPDATE

Note: Please provide the rates for the FY: 05-06 and the missing rates for FY: 04-05.

Sergio,

I received your fax dated 6/20/06 requesting clarification on Financial Aid Assistants salaries ranging from $5,661 to $13,175. Your questions were whether these are part time and how many hours a year are their salaries based on.

I checked the Financial Aid Assistant positions listed on the report for FY04-05. Some of the positions were full-time positions that get regular pay. However, some of the positions are part-time (FTE .48), salaries around $13,000. The $5,661 to $13,175 variances were due to some of the staff in these positions were only employed part of the year, therefore, salaries were less than others. See the following examples from FY2004-05 report:

Schedule 5A
Kern Community College District
308/95 Enrollment Fee Collection and Waivers
Fiscal Years: 2005-2006 through 2006-2007
Enrollment Fee Waivers Offsets

Purpose: To illustrate that waiver offsets for most fiscal years were higher than waiver costs and to show actual waiver offset amount being used on EFCW-1.
Source: Waiver costs from EFCW-1 and Waiver offset from Sch. 5
Findings:

ref	Item	Source (EFCW-1)	2005-06	2006-07
1	Policies & Procedures for § IV.B.	(04)(B)(1)(a)	$ 254.95	
2	Staff Training	(04)(B)(1)(b)	$ 1,179.32	
3	Adopting procedures, recording/maintaining records	(04)(B)(2)(a)	$ -	
4	Waiving student fees	(04)(B)(2)(b)	$ 338,326.82	$ 185,551.02
5	Reporting BOG fee waiver data to CCC	(04)(B)(2)(c)	$ 458.91	
6	EFCW - Fee Waiver Costs	Total	$ 340,220.00	$ 185,551.02
7	Less: Total Enrollment Fee Waiver Offset	Sch. 5	$ 380,209.00	$ 341,012.00
8	Fee Waiver Costs to claim after offsets	L6 - L7	$ (39,989.00)	$ (155,460.98)
	Offset Amount to Claim	**To EFCW -1, line 10**	**$ 340,220.00**	**$ 185,551.02**

Conclusion: If line 8 is negative, then line 6 - "Total EFCW waiver costs" will be carried forward to EFCW-1, line 10. Otherwise, line 7 - "Total Enrollment Fee Waiver Offset" from Schedule 5 will be carried forward to EFCW-1, line 10.

*** Normally we would not substitute *EFW 6 (# of applications received) for *EFW 7 (# of applications approved) because *EFW 6 would be a larger number than *EFW 7. Clients #'s for *EFW 6 (# of applications received) for BOG C was much, much lower than the CCCCO's website #'s for *EFW 7 (# of applications approved), so therefore we used multiplier *EFW 6 for code 25.

*** Normally we would not substitute *EFW 6 (# of applications received) for *EFW 7 (# of applications approved) because *EFW 6 would be a larger number than *EFW 7. Clients #'s for *EFW 6 (# of applications received) for BOG C was much, much lower than the CCCCO's website #'s for *EFW 7 (# of applications approved), so therefore we used multiplier *EFW 6 for code 25.

APPENDIX 1

Resolution of the Board of Governors of the California Community Colleges No. 2006-02

Whereas, California Education Code section 76300 was recently amended by Assembly Bill 1802 (Stats. 2006, ch. 79) to reduce the enrollment fee from $26 per unit to "($20) per unit per semester, effective with the spring term of the 2006-07 academic year;" and

Whereas, There are indications that the Legislature actually intended to have the reduction in the enrollment fee begin with any term beginning on or after January 1, 2007, even if that term begins before the "Spring 2007" semester or quarter; and

Whereas, Many colleges with intersessions beginning before the Spring 2007 term will soon begin early registration during which students will be simultaneously enrolling in classes for both the intersession and for the regular Spring term; and

Whereas, Under these circumstances it will be administratively difficult and confusing to students to require colleges to charge $26 per unit for intersessions and $20 for the Spring term; and

Whereas, California Education Code section 76300 also gives the Board of Governors authority to proportionately adjust the per unit enrollment fee for intersessions; *now therefore, be it*

Resolved, That the Board of Governors of the California Community Colleges hereby takes the following actions:

For any term or intersession beginning on or after January 1, 2007, and prior to the Spring 2007 semester or quarter, a community college district may charge an enrollment fee of $20 per semester unit or $13 per quarter unit. In addition, for any subsequent term or intersession for which the Legislature has authorized a fee of $20 per semester unit, a community college district shall charge an enrollment fee of $13 per quarter unit if applicable.

*** Normally we would not substitute *EFW 6 (# of applications received) for *EFW 7 (# of applications approved) because *EFW 6 would be a larger number than *EFW 7. Clients #'s for *EFW 6 (# of applications received) for BOG C was much, much lower than the CCCCO's website #'s for *EFW 7 (# of applications approved), so therefore we used multiplier *EFW 6 for code 25.
