(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Conclusion: Findings will go forward to the EFCW-2.

***EFC Workload Multiplier (Client Provided)**
EFC 1 - Total number of students who enroll in the college
EFC 2 - Total number of students who paid enrollment fees
EFC 4 - Total number of students with enrollment fee accounts receivable (did not pay in full at time of registration)
EFC 5 - Total number of enrollment fee refunds due to change in waiver eligibility and not a result of just a change in class load

****Activity Codes**
11 - Reference the student account or record which lists student courses, status of payments, and waiver eligibility, and printing out a list of enrolled courses.
12 - Calculating the enrollment fee, collect the payment or receivable, update student account/record, and print out receipt/course list/other report.
13 - Answer Questions and/or referring student to the appropriate person for an answer.
14 - Updating Student File for the enrollment fee information, and providing a copy to the student.
15 - Amounts Receivable/Delinquencies: Collecting enrollment fees due/delinquent (telephone contact, written notices, collection agencies, small claims court, etc.)
16 - Refunds for students who later become eligible for waivers (not just course changes), explain the process, and update student account/record.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the *Parameters and Guidelines* are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

***EFC Workload Multiplier (Default)**
EFC 1 - Total number of students who enroll in the college
EFC 2 - Total number of students who paid enrollment fees
EFC 4 - Total number of students with enrollment fee accounts receivable (did not pay in full at time of registration)
EFC 5 - Total number of enrollment fee refunds due to change in waiver eligibility and not a result of just a change in class load

****Activity Codes**
11 - Reference the student account or record which lists student courses, status of payments, and waiver eligibility, and printing out a list of enrolled courses.
12 - Calculating the enrollment fee, collect the payment or receivable, update student account/record, and print out receipt/course list/other report.
13 - Answer Questions and/or referring student to the appropriate person for an answer.
14 - Updating Student File for the enrollment fee information, and providing a copy to the student.
15 - Amounts Receivable/Delinquencies: Collecting enrollment fees due/delinquent (telephone contact, written notices, collection agencies, small claims court, etc.)
16 - Refunds for students who later become eligible for waivers (not just course changes), explain the process, and update student account/record.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

(37) CERTIFICATION OF CLAIM

In accordance with the provisions of Government Code Section 17561, I certify that I am the officer authorized by the community college district to file mandated cost claims with the State of California for this program, and certify under penalty of perjury that I have not violated any of the provisions of Government Code Sections 1090 to 1098, inclusive.

I further certify that there was no application other than from the claimant, nor any grant or payment received, for reimbursement of costs claimed herein, and such costs are for a new program or increased level of services of an existing program. All offsetting savings and reimbursements set forth in the Parameters and Guidelines are identified, and all costs claimed are supported by source documentation currently maintained by the claimant.

The amounts for this Estimated Claim and/or Reimbursement Claim are hereby claimed from the State for payment of estimated and/or actual costs set forth on the attached statements. I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
