4 CHAPTER 2.5. COMMISSION ON STATE MANDATES

5 Article 1. General

6 § 1181.1. Delegation of Certain Functions; Executive Director Appeals.

7 (a) Whenever it is stated in these rules that the "Commission" may or shall exercise or discharge
8 any power, duty, purpose, function, or jurisdiction, the Commission on State Mandates
9 specifically has reserved the same for its own exclusive action.

10 (b) Whenever it is stated that the "executive director" may or shall exercise or discharge any
11 power, duty, purpose, function, or jurisdiction, or it is not expressly stated that the Commission
12 itself shall so act, the executive director of the Commission has the authority to act thereon.

13 (c) A real party in interest to a matter may appeal to the Commission for review of the actions
14 and decisions of the executive director on that matter.

15 (1) The appellant shall submit the appeal in writing within 10 days of first being served written
16 notice of the executive director's action or decision.

17 (2) The appellant shall file and serve the appeal in accordance with section 1181.3 of these
18 regulations.

19 (3) The appeal shall explain the basis for the appeal, state the action being requested of the
20 Commission, and include all facts and materials the applicant believes are relevant to the appeal.

21 (4) The executive director shall schedule the appeal for hearing and vote by the Commission as
22 soon as practicable following receipt of the appeal.

23 (5) Other parties may submit comments on an appeal in accordance with section 1181.3 of these
24 regulations.

25 (6) The Commission shall determine whether to uphold the executive director's decision by a
26 majority vote of the members present. The decision shall be final and not subject to
27 reconsideration.

28 (7) The executive director shall notify the appellant in writing within 10 days of the
29 Commission's decision.

30 (d) Nothing herein prohibits the executive director from delegating to subordinates as provided

- 11 (m) "Real Party in Interest" means any person or entity whose interest will be directly affected
12 by the resolution of the matter.
- 13 (n) "Rulemaking proceeding" means any hearing designed to adopt, amend, or repeal any rule,

- 17 (o) "Statewide cost estimate" means the approximate sum of money that local agencies or school

19 service of an existing mandated program. A statewide cost estimate submitted by a test claimant
20 shall be an estimate of the first full fiscal year of actual or estimated costs based on the statutes
21 and executive orders alleged in a test claim, except as provided in Government Code section
22 17557.1(a). A statewide cost estimate adopted by the Commission shall be an estimate based on

- 25 (p) "Statewide estimate of costs" is based on a reasonable reimbursement methodology proposed

31 law. Amendments to article XIII B, section 6 of the California Constitution that were approved
32 by the voters on November 2, 2004 and changes in the statutes or executive orders that impose

34 17551(a) are not a "subsequent change in law."
- 35 (r) "Teleconference" means a conference of individuals in different locations, connected by
36 electronic means, through audio, video, or both.
- 37 (s) "Test claim" means the first claim filed with the Commission alleging that a particular statute
38 or executive order imposes costs mandated by the state pursuant to Government Code section
39 17521 and also includes a claim filed on a legislatively determined mandate pursuant to

41 action and has been established to expeditiously resolve disputes affecting multiple agencies.

1 (t) "Written material" means any paper or electronic document relevant to a matter that is filed
2 with the Commission except that "written material" does not include a "new filing" as defined in
3 subdivision (k) of this section.

10 **-§ 1181.3. Filing and Service of Written Materials and New Filings.**

11 (a) Filing. Unless otherwise provided in this chapter, new filings and written materials may be
12 filed electronically or by hard copy as described in this subdivision. If filed by hard copy, the
13 filer shall simultaneously serve all written material in accordance with subdivision (b) of this
14 regulation. Filing is complete upon receipt by the Commission. Filings shall not contain personal
15 identifying information that violates state or federal privacy laws, including, but not limited to
16 the provisions of California Civil Code section 1798 et seq. New filings and written materials
17 may be filed by any of the following methods:

18 (1) E-Filing. Submit the original to the Commission by saving the signed original in a PDF file
19 and submitting it via the Commission's e-filing system, available on the Commission's website.
20 Documents e-filed with the Commission must be in a legible and searchable format. The filer is
21 responsible for maintaining the signed original for the duration of the process for the matter,
22 including any period of appeal. Notwithstanding any other provision in these regulations, if a
23 new filing or written material is e-filed, no additional copies shall be submitted to Commission
24 staff. The following shall apply to e-filing:

25 (A) By providing an e-mail address for the mailing list for a matter, a person consents to e-mail
26 service for that matter.

27 (B) An automated notice that the document was successfully sent is immediately available to the
28 person who e-files using the Commission's e-filing system and should be saved or printed for the
29 filer's records. Commission staff shall also reply by e-mail confirming actual receipt of the
30 legible, searchable document by the Commission within two business day of receipt. In the
31 absence of a confirmation e-mail from Commission staff, it is the responsibility of the person
32 who e-files to obtain confirmation that the Commission actually received the filing.

33 (C) By using e-filing, the filing person agrees, in the event of failure of e-filing, to re-file the
34 document, no later than the business day after the business day on which notice of the failure of
35 e-filing is received by the filing party, by any means authorized by these rules, in order to
36 maintain the original filing date. "Failure of e-filing" occurs when the filing person receives
37 notification, in any manner, of non-receipt of an e-filed document or of any other inability of
38 Commission staff to access the document. The filer and Commission staff may agree to any form
39 for re-filing allowed by these regulations.

40 (D) Documents e-filed with the Commission do not need to be served and proof of service does
41 not need to be provided for persons that have provided an e-mail address for the mailing list.
42 Nothing in this regulation excuses a filer from serving hard copies of written material on persons
43 who appear on the mailing list and have not provided an e-mail address for the mailing list or

1 from providing a proof of service with the e-filing to the Commission for the service.

2 (E) Upon confirmation of actual receipt, Commission staff shall notify all persons on the mailing
3 list for the matter that written material may be viewed on the Commission's website. For "new
4 filings" -as defined by section 1181.2(k) of these regulations, Commission staff shall notify all
5 persons on the mailing list prepared pursuant to section 1181.4 of these regulations, of the
6 availability of those filings on the Commission's website when Commission staff sends its notice
7 of complete filing to the filing party.

8 (F) The Commission may serve any document by e-mail service, or by making it available at a
9 particular URL, unless doing so would be contrary to state or federal law.

10 (G) The executive director may issue any order consistent with these rules to govern e-mail
11 service for a particular matter.

12 (2) By first class mail. Submit the unbound original and seven copies to the Commission.

13 (3) By overnight delivery. Submit the unbound original and seven copies to the Commission.

14 (4) By personal service. Hand the unbound original and seven copies to Commission staff.

15 (b) -Service. If written materials are filed in hard copy, the filing must simultaneously be served
16 on everyone on the mailing list using the same method as was used for the filing. Unless
17 otherwise provided in this section, a proof of service shall be included with any written material
18 filed with Commission staff. Proof of personal service requires a declaration of the messenger of
19 the time and place that the written material was served. Service is not required for new filings
20 because mailing lists for matters are only prepared, pursuant to section 1181.4 of these
21 regulations, after a new filing is deemed complete. Completed new filings will be served on the
22 mailing list by Commission staff with the Notice of Complete Filing.

26

27 **§ 1181.4. Mailing Lists and Numbering of Matters.**

28 (a) For all matters deemed complete, Commission staff shall prepare a mailing list of the names,
29 addresses, phone numbers and e-mail addresses of the parties, interested parties, and interested
30 persons who have requested inclusion on the mailing list. The mailing list will be uploaded to the
31 Commission's website and an e-mail notification of its availability will be sent to everyone on
32 the list who has provided an e-mail address. A hard copy will be provided by Commission staff
33 to persons on the mailing list who have not provided an e-mail address and to any person who
34 requests a hard copy.

35 (b) By providing an e-mail address for the mailing list for a matter, a person consents to e-mail
36 service of documents for that matter.

37 (c) For the following new filings received by the Commission, the executive director shall issue
38 sequential matter numbers, by fiscal year, as follows:

39 (1) Test Claim (TC)

40 (2) Incorrect Reduction Claim (I)

- 1 (3) Request to Amend Parameters and Guidelines (PGA)

2 the Commission as its final decision, the Commission may direct appropriate modification of the
3 preliminary decision and thereafter adopt it as the Commission final decision or decide the
4 application upon the record, with or without taking additional evidence, or may refer the

21 **Article 3. Test Claims**

22 **§ 1183.1. Test Claim Filing.**

23 (a) In order to obtain a mandate determination, a local agency or school district shall file a test
24 claim with the Commission. A local agency or school district may file a test claim as follows:

25 (1) A county auditor, auditor-controller, or director of finance who has assumed the duties of
26 controller, may file on behalf of a county.

27 (2) A city manager, director of finance, or other officer with a delegation by ordinance or
28 resolution from the city council, may file on behalf of a city.

29 (3) A district superintendent may file on behalf of a school district.

30 (4) A chancellor, vice chancellor, director of finance, or other officer with authority delegated by
31 the governing body by ordinance or resolution, may file on behalf of a community college
32 district.

33 (5) A general manager or other officer with authority delegated by the governing body by
34 ordinance or resolution may file on behalf of a special district.

35 (b) Claimants may agree to submit a test claim as a joint effort, as provided in section 1183.1(g)
36 of these regulations. Otherwise, the first claim filed on a statute or executive order by a similarly
37 situated claimant is the test claim and no duplicate test claims will be accepted by the
38 Commission. Other similarly situated affected agencies may participate in the process by
39 submitting comments in writing on any agenda item as provided in section 1181.10 of these
40 regulations, and may attend any Commission hearing on the test claim and provide written or
41 oral comments to the Commission. Affected agencies that are not similarly situated, meaning

1 that test claim statutes affect them differently, may file a test claim on the same statutes as the
2 first claim, but must demonstrate how and why they are affected differently.

3 -(c) Except as provided in Government Code sections 17573 and 17574, any test claim or
4 amendment filed with the Commission must be filed not later than 12 months following the
5 effective date of a statute or executive order, or within 12 months of first incurring increased
6 costs as a result of a statute or executive order, whichever is later. For purposes of claiming
7 based on the date of first incurring costs, "within 12 months" means by June 30 of the fiscal year
8 following the fiscal year in which increased costs were first incurred by the test claimant.

9 (d) All test claims, or amendments thereto, shall be filed on a form developed by the executive
10 director and shall contain all of the elements and supplemental documents required by statute,
11 regulation and the form. When an omnibus bill is pled, claimant shall file only the relevant pages
12 of the statute, including the Legislative Counsel's Digest and the specific statutory changes at
13 issue.

14 (e) The claimant shall file the test claim, or amendment thereto, and accompanying documents
15 with the Commission in accordance with section 1181.3 of these regulations.

16 (f) Within 10 days of receipt of a test claim, or amendment thereto, Commission staff shall notify
17 the claimant if the test claim is complete or incomplete. Test claims will be considered
18 incomplete if any of the elements required in subdivisions (c) and (d) of this section are illegible
19 or are not included. If a complete test claim is not received within 30 calendar days from the date
20 the incomplete test claim was returned, the executive director may disallow the original test
21 claim filing date. A new test claim may be accepted on the same statute or executive order
22 alleged to impose a reimbursable state-mandated program.

23 (g) Test claims may be prepared as a joint effort between two or more claimants and filed with
24 the Commission if the claimants attest to all of the following in the test claim filing:

25 (1) The claimants allege state-mandated costs result from the same statute or executive order;

26 (2) The claimants agree on all issues of the test claim; and

27 (3) The claimants have designated one contact person to act as the resource for information
28 regarding the test claim.

29 (h) Any test claim, or portion of a test claim, that the Commission lacks jurisdiction to hear for
30 any reason may be dismissed by the executive director with a written notice stating the reason for
31 dismissal.

32 ~~(i) Any party may appeal to the Commission for review of the actions and decisions of the~~
33 ~~executive director under this section pursuant to section 1181.1 of these regulations.~~

39 shall make a copy of the test claim or amendment available to those named on the mailing list
40 prepared in accordance with section 1181.4 of these regulations and shall post it on the
41 Commission's web site.

1 (b) Written comments concerning the test claim shall be filed and served within 30 days from the
2 date the test claim or amendment is issued for comment and in accordance with the provisions of
3 section 1181.3 of these regulations.

4 (c) Content and Form. Written comments on the test claim shall contain the following

7 submitted with the comments in accordance with section 1187.5 of these regulations.

8 (2) A copy of relevant portions of state constitutional provisions, federal statutes, and executive
9 orders, and a copy of administrative decisions and court decisions that may impact the alleged
10 mandate, unless the authorities are also cited in the test claim. The specific statutes and chapters,
11 articles, sections, regulatory registers, and page numbers must be identified. Published court
12 decisions arising from state mandate determinations by the Board of Control and the
13 Commission on State Mandates, article XIII B, section 6 of the California Constitution, and
14 Government Code sections 17500 et seq., are exempt from the requirements of this subdivision.

15 (d) The written comments and supporting documentation shall be signed at the end of the
16 document by an authorized representative, with the declaration that it is true and complete to the
17 best of the representative's personal knowledge or information or belief. The date of signing, the
18 representative's title, address, and telephone number shall be included. If the authorized
19 representative can be reached via e-mail, the e-mail address shall also be included.

23 (a) Written rebuttals to written comments concerning a test claim may be filed, and shall be
24 served in accordance with section 1181.3 of these regulations within 30 days of service of the
25 written comments.

26 (b) Content and Form. A written rebuttal shall contain the following documentary evidence, if
27 applicable:

28 (1) If new representations of fact are made, they must be supported by documentary evidence
29 submitted with the rebuttal. All documentary evidence shall be in accordance with section
30 1187.5 of these regulations.

31 (2) A copy of relevant portions of state constitutional provisions, federal statutes, and executive
32 orders, and a copy of administrative decisions and court decisions that are cited in the rebuttal,
33 unless the authorities are also cited in the test claim or any opposition thereto. The specific
34 statutes and chapters, articles, sections, regulatory registers, and page numbers shall be
35 identified. Published court decisions arising from state mandate determinations by the Board of
36 Control and the Commission on State Mandates, article XIII B, section 6 of the California
37 Constitution, and Government Code sections 17500 et seq., are exempt from the requirements of
38 this subsection.

39 -(c) The rebuttal shall be signed at the end of the document by the claimant or its authorized
40 representative, with the declaration that the rebuttal is true and complete to the best of the
41 declarant's personal knowledge or information or belief. The date of signing, and the declarant's

6 Within 30 days of the filing date of a test claim deemed complete, a claimant may file a motion
7 with the executive director to consolidate part or all of any test claim with another test claim, or
8 to sever any part of any test claim, if necessary to ensure the complete, fair, or timely
9 consideration of any test claim.

10 (a) Any motion to consolidate or to sever shall be filed and served in accordance with section
11 1181.3 of these regulations.

12 (b) Within 30 days after receipt of a motion to consolidate or sever, the executive director may

19 claim.

20 (b) At least 10 days before the action is taken, the executive director shall simultaneously serve
21 on the parties and interested parties on the mailing list described in section 1181.2 of these
22 regulations, and post on the Commission's website, a notice of any proposed action to
23 consolidate or sever.

25 Sections 17530, 17553, and 17554, Government Code.

26 **§ 1183.6. Review of Completed Test Claim and Preparation of Proposed Decision.**

27 (a) Before the hearing on the test claim, Commission staff shall prepare a proposed decision for
28 the test claim, which shall include but not be limited to a review of the written comments filed.
29 The proposed decision shall describe and analyze the test claim to assist the Commission in
30 determining whether the alleged statutes or executive orders contain a reimbursable state-
31 mandated program under article XIII B, section 6 of the California Constitution.

32 (b) At least eight weeks before the hearing, or at a time required by the executive director or
33 stipulated to by the parties, Commission staff shall prepare a draft proposed decision and
34 distribute it to the parties, interested parties, and those on the mailing list described in section
35 1181.3 of these regulations, and shall post it on the Commission's website.

36 (c) Anyone may file written comments concerning the draft proposed decision. If representations

4 reimbursable activity and permits or requires the discontinuance or reduction in the level of
5 service of the program.
- 6 (i) Claiming Instructions. Notice of the Office of the State Controller's duty to issue claiming
7 instructions, which constitutes notice of the right of local agencies and school districts to file
8 reimbursement claims, based upon the decision and parameters and guidelines adopted by the

31 provide written comments concerning the proposed parameters and guidelines within 15 days of
32 service.
- 33 (e) Written comments shall be filed and served in accordance with section 1181.3 of these

10 (b) Parties, interested parties, and interested persons may file comments on the draft expedited
11 parameters and guidelines within 20~~1~~ days of service of Commission staff's draft proposal.

12 (c) Within 15 days of service of the comments submitted pursuant to subdivision (b) of this

17 **§ 1183.10. Reasonable Reimbursement Methodology.**

18 (a) Government Code section 17518.5 defines a "reasonable reimbursement methodology" as a
19 formula for reimbursing local agencies and school districts for costs mandated by the state, as

26 section 1183.12-(d), of these regulations.

27 (2) When surveying or otherwise gathering cost data to develop a formula, "representative
28 sample of claimants" does not include eligible claimants that do not respond to surveys or
29 otherwise participate in submitting cost data.

30 (c) An interested party may submit cost information or other cost projections that can be the
31 basis of a reasonable reimbursement methodology, and letters in support of a draft reasonable
32 reimbursement methodology submitted pursuant to Government Code section 17557.1.

36 (a) Notwithstanding Government Code section 17557, within 30 days of the adoption of a
37 decision on a test claim, the successful test claimant and the Department of Finance may notify
38 the executive director in writing of their intent to follow the process described in Government

7 and also include an update of all information and filing dates provided in the original written
8 notification submitted pursuant to Government Code section 17557.1(a). If no submittal of a
9 draft and no request for an extension has been made by the filing date specified in the notice of
10 intent to develop a reasonable reimbursement methodology, or if all extensions have been

22 1181.3 of these regulations.

23 (h) At least 10 days prior to the next hearing, Commission staff shall review comments and issue
24 a staff recommendation on whether the Commission should approve the draft reasonable
25 reimbursement methodology and adopt the proposed statewide estimate of costs pursuant to
26 Government Code section 17557.2.

30 **Guidelines.**

31 (a) If the claimant indicates in the proposed parameters and guidelines or comments that a
32 reasonable reimbursement methodology, as defined in Government Code section 17518.5,
33 should be considered for inclusion in the parameters and guidelines, or if the Department of
34 Finance, Office of the State Controller, any affected state agency, or eligible claimant proposes
35 consideration of a reasonable reimbursement methodology, Commission staff may schedule an
36 informal conference in accordance with section 1187.4 of these regulations to discuss the
37 methodology and plan for submittal of a reasonable reimbursement methodology.

38 (b) A proposed reasonable reimbursement methodology, as described in Government Code
39 section 17518.5, shall include any documentation or assumption relied upon to develop the

12 **§ 1183.13. Adoption of Parameters and Guidelines.**

13 (a) After review of the test claim decision, claimant's proposed parameters and guidelines or
14 draft expedited parameters and guidelines, written comments, and rebuttals, Commission staff
15 shall prepare a draft proposed decision and parameters and guidelines. Commission staff's
16 recommendation may include a reasonable reimbursement methodology developed pursuant to
17 Government Code section 17518.5.

18 (b) Written comments on the draft proposed decision and parameters and guidelines shall be filed
19 and served in accordance with section 1181.3 of these regulations, by the date noticed by the

40 after receipt of a completed test claim unless extended to 18 months by the Commission or
41 executive director.

1 (b) Commission staff may develop the statewide cost estimate based on initial reimbursement
2 claims filed with the Office of the State Controller, application of a reasonable reimbursement
3 methodology, or use a different methodology based on recommendations from the test claimant,
4 the Department of Finance, or other interested parties.

27 (b) Oral or written representations of fact offered by any person at an article 7 hearing shall be
28 under oath or affirmation. All written representations of fact submitted to the Commission must
29 be signed under penalty of perjury by persons who are authorized and competent to do so and

5 (b) The presiding member, Commission members, hearing panel member or hearing officer may
6 question any party or witness and may admit any relevant and material evidence.

7 (c) The taking of evidence in a hearing shall be controlled by the Commission or hearing officer
8 in the manner best suited to ascertain the facts and safeguard the rights of the parties. Prior to
9 taking evidence, the issues and the order of presenting evidence will be explained.

10 (d) The hearing will ordinarily proceed in the following manner. Staff of the Commission will
11 summarize the matter. The claimant will state its position and present its evidence. The
12 Department of Finance or other affected state agency will thereafter state its position and present
13 its evidence. The claimant will then be given an opportunity to reply.

6 6250 et seq., of the Government Code. If the applicant is unable to obtain the name of the person
7 who has possession or control of the matters or things desired to be produced, the name of the
8 director or superintendent or custodian of records of the state or local agency or school district
9 may be used for the application.

10 (e) When a request for subpoena or subpoena duces tecum is approved by the Commission, the
11 subpoena or subpoena duces tecum shall be issued signed by the executive director, but

36 **§ 1187.9. Extensions of Time to File Comments or Rebuttals and Postponements and**
37 **Continuances of Hearings.**

38 (a) Requests for Extensions of Time

39 Any party or interested party to a matter may request an extension of time by filing a request
40 with the executive director before the date set for filing of comments or rebuttals with
41 Commission staff on that matter. The request shall fully explain the reasons for the extension,

1 propose a new date for filing, and be simultaneously served in accordance with section 1181.3 of
2 these regulations. So long as a postponement of a hearing would not be required, there is no
3 prejudice to any party or interested party, and there is no other good reason for denial, the
4 request shall be approved. A party to a matter may request an extension of time that would
5 necessitate rescheduling a hearing, but shall also include a request for postponement of the
6 hearing, pursuant to section 1187.9(b). Within two business days of receipt of the request, the
7 executive director shall determine whether the extension will be granted and notify all persons on
8 the mailing list prepared pursuant to section 1181.4 of these regulations.

9 (b) -Requests for Postponement of Hearing

10 A party to an article 7 matter may request a postponement of a hearing on that matter, until the
11 next regularly scheduled hearing. Although postponements of hearings are disfavored, each
12 request for a postponement must be considered on its own merits. The request shall fully explain
13 the reasons for the postponement, and be filed and served in accordance with section 1181.3 of
14 these regulations. Within two business days of receipt of the request, the executive director shall
15 determine whether the postponement will be granted and notify all persons on the mailing list
16 prepared pursuant to section 1181.4 of these regulations. The executive director may postpone
17 the matter only on an affirmative showing of good cause.

18 (1) Circumstances that may indicate good cause include:

19 (A) The unavailability of a party, party representative, or witness because of death, illness, or
20 other excusable circumstances;

21 (B) The substitution of a party representative, but only where there is an affirmative showing that
22 the substitution is required in the interests of justice;

23 (C) The addition of a new party if:

24 1. The new party has not had a reasonable opportunity to prepare for hearing; or

25 2. The other parties have not had a reasonable opportunity to prepare for hearing in regard to the
26 new party's involvement in the matter;

27 (D) A party's excused inability to obtain essential testimony, documents, or other material
28 evidence despite diligent efforts;

29 (E) A significant, unanticipated change in the status of the matter as a result of which the matter
30 is not ready for hearing; or

31 (F) The number and complexity of the issues.

32 (2) Other factors to be considered: In determining whether to grant a postponement, the
33 executive director shall consider the facts and circumstances that are relevant to the
34 determination. These may include:

35 (A) The proximity of the hearing date;

36 (B) Whether there was any previous postponement, extension of time, or delay of hearing due to
37 any party;

38 (C) The length of the postponement requested;

39 (D) The availability of alternative means to address the problem that gave rise to the request for a
40 postponement;

- 1 (E) The prejudice that parties or witnesses will suffer as a result of the postponement;
- 2 (F) If the matter was granted expedited scheduling, the reasons for that status and whether the
3 need for a postponement outweighs the need to avoid delay;
- 4 (G) The Commission's backlog of matters and the impact of granting a postponement on other
5 pending matters;
- 6 (H) Whether the claimant or requester representative is engaged in a trial or other hearing that
7 conflicts with the Commission hearing;
- 8 (I) Whether, pursuant to Government Code 17554, all parties have stipulated to a postponement;
9 and
- 10 (J) Whether the interests of justice are best served by a postponement, by moving forward with
11 the hearing on the matter, or by imposing conditions on the postponement.

12 (3) Approval of Requests for Postponement

13 (A) A request filed by the claimant or requester at least 15 days before the hearing shall be
14 approved by the executive director for good cause.

15 (B) A request filed by stipulation of the parties, including the claimant or requester, shall be
16 approved by the executive director for good cause.

17 (C) A request filed by the claimant or requester less than 15 days before the hearing may be
18 approved by the executive director for good cause.

19 (D) A request filed by an interested party may be approved by the executive director for good
20 cause. If a state agency makes a request before filing comments on the test claim, that request
21 shall be accompanied by a notice of intent to oppose the test claim in whole or in part.

22 (4) Postponement on Commission Staff's Own Motion: The executive director may postpone a
23 hearing on a matter for good cause and shall notify all persons on the mailing list prepared
24 pursuant to section 1181.4 of these regulations.

25 (c) -Continuance of a Hearing

26 (1) Prior to the adoption of its written decision on the matter being heard, the Commission on its
27 own motion, or upon a clear showing of good cause at the request of a party, may continue a
28 hearing to another time or place. Written notice of the time and place of the continued hearing,
29 except as provided herein, shall be in accordance with section 1187.1 of these regulations. When
30 a continuance is ordered during a hearing, oral notice of the time and place of the continued
31 hearing may also be given to each party present at the hearing.

32 -(2) In determining whether there is good cause for a continuance within the meaning of
33 subdivision (a) the following policy should be taken into consideration: Continuances are not
34 favored by the Commission. The parties are expected to submit for decision all matters in
35 controversy at a single hearing and to produce at the hearing all necessary evidence, including
36 witnesses, documents and all other matters considered essential in the proof of a party's
37 allegations. Continuances will be granted only upon a clear showing of good cause.

8 next Commission meeting.

9 (d) A copy of the proposed decision shall be filed by Commission staff as a public record and a
10 copy of the proposed decision shall be served by Commission staff on each party. The

11 part of a matter on petition of any party. The power to order a reconsideration or amend a test
12 claim decision shall expire 30 days after the adopted decision is delivered or mailed to the
13 claimant. If additional time is needed to evaluate a petition for reconsideration filed before the
14 expiration of the 30-day period, the Commission may grant a stay of that expiration for no more
15 than 30 days, solely for the purpose of considering the petition. A request for reconsideration
16 shall be deemed automatically stayed for the 30-day period. If no action is taken on a petition
17 within the time allowed for ordering reconsideration, the petition shall be deemed denied.

18 (b) Except as provided elsewhere in this section, any party, interested party, or Commission

37 interested parties, and the requester. Commission staff shall make a -recommendation in the
38 analysis on whether the request for reconsideration should be granted. The Commission shall
39 consider the request for reconsideration at a scheduled meeting. Five affirmative votes shall be

16 Commission staff and may be incorporated into the proposed decision regarding whether the
17 adopted decision is contrary to law and presented to the Commission before the scheduled
18 meeting.

19 (2) The procedures set forth in article 7 shall govern the Commission's hearings and decisions
20 process, except that five affirmative votes shall be required to change an adopted decision.

21 (h) If the Commission changes an adopted decision, the procedures set forth in Sections 1183.7
22 through 1183.14 of these regulations shall govern the adoption of parameters and guidelines and
23 the statewide cost estimate, if applicable.

24 (i) Failure to seek Commission reconsideration of an adopted decision shall not affect a
25 claimant's or state agency's right to seek judicial review pursuant to Government Code section
26 17559-(b).

27 (j) This section only applies to reconsiderations requested pursuant to Government Code section
28 17759-(a); it does not apply to remands or reconsiderations directed by the courts or by statute.

22 the Department of Finance, Office of the State Controller, or other affected state agency, may file
23 a request to adopt a new test claim decision to supersede a previously adopted test claim decision
24 by making a showing that the state's liability pursuant to Article XIII B, section 6-(a) of the
25 California Constitution for the previously adopted test claim decision has been modified based
26 on a "subsequent change in law" as defined by Government Code section 17570(a)(2). Such a
27 request is known as a "request for mandate redetermination."
- 28 (b) All requests for mandate redetermination shall be filed on a form developed by the executive
29 director and shall contain a detailed analysis of how and why the state's liability for mandate
30 reimbursement has been modified pursuant to article XIII B, section 6(a) of the California
31 Constitution and all of the elements and accompanying documents required by the form and
32 Government Code section 17570(d).
- 33 (c) -The detailed analysis of how and why the state's liability for mandate reimbursement has
34 been modified pursuant to article XIII B, section 6-(a) of the California Constitution based on a
35 "subsequent change in law" as defined by Government Code section 17570 requires more than a
36 written narrative or simple statement of the facts and law. It requires the application of the law
37 (Gov. Code § 17570 (a) and (b)) to the facts (i.e. the alleged subsequent change in law)
38 discussing, for each activity addressed in the prior test claim decision, how and why the state's

6 elements required in subdivisions (b), (c), or (d) of this section are illegible or are not included. If
7 a complete request for mandate redetermination is not received within 30 calendar days from the
8 date the incomplete request was returned, the executive director shall disallow the original
9 request filing date. New requests for mandate redetermination may be accepted on the same
10 subsequent change in law alleged to modify the state's liability pursuant to article XIII B, section
11 6(a) of the California Constitution.

12 (f) -A request for mandate redetermination shall be filed on or before June 30 following a fiscal
13 year in order to establish eligibility for reimbursement or loss of reimbursement for that fiscal
14 year.

15 (g) A requester may not add a new subsequent change in law to a request for mandate
16 redetermination after the request has been deemed complete.

17 (h) -Any request for mandate redetermination that fails to allege a "subsequent change in law," as
18 defined by Government Code section 17570, shall be returned by the executive director with a
19 written notice stating the reason that the request is being returned. These filings may include, but
20 are not limited to, requests that meet the requirements for a proposed parameters and guidelines
21 amendment or a new test claim filing.

38 so and must be based on the declarant's personal knowledge or information or belief.

39 (2) A copy of relevant portions of state constitutional provisions, state and federal statutes, and
40 executive orders, and a copy of administrative decisions and court decisions that may impact the

2 identified. Published court decisions arising from state mandate determinations by the Board of
3 Control and the Commission, article XIII B, section 6 of the California Constitution, and

20 concerning a request for mandate redetermination by filing written rebuttals within 30 days of
21 service of the comments.

22 (b) Content and Form. A written rebuttal shall contain the following documentary evidence, if
23 applicable:

24 (1) If new representations of fact are made, they must be supported by documentary evidence
25 which shall be submitted with the rebuttal in accordance with section 1187.5 of these regulations.

26 (2) A copy of relevant portions of state constitutional provisions, federal statutes, and executive
27 orders, and a copy of administrative decisions and court decisions that are cited in the rebuttal,
28 unless the authorities are also cited in the request to adopt a new test claim decision or any

1 **§ 1190.4. Executive Director's Authority to Consolidate Requests for Mandate**
2 **Redetermination.**

3 (a) The executive director may consolidate two or more requests for mandate redetermination for
4 the second hearing, if some or all of the same statutes, regulations or executive orders are at
5 issue, if necessary to ensure the complete, fair, or timely consideration of any request for
6 mandate redetermination.

7 (b) At least 10 days before the action is taken, the executive director shall serve on the parties
8 and interested parties on the mailing list described in section 1181.4 of these regulations, and
9 post on the Commission's website, a notice of any proposed action to consolidate.

10 Note: Authority cited: Section 17527(g), 17553(a), and 17570(d), Government Code. Reference:
11 Sections 17530, 17554, and 17570, Government Code.

12 **§ 1190.5. Hearing Process and Form of Decision.**

13 Notwithstanding any other provision of these regulations, mandate redetermination process
14 hearings and decisions shall be subject to article 7 of these regulations. There shall be a two-step
15 hearing process for requests to adopt a new test claim decision as follows:

16 (a) The First Hearing:

17 (1) The first hearing shall be limited to the issue of whether the requester has made an adequate
18 showing which identifies a subsequent change in law as defined by Government Code section
19 17570, material to the prior test claim decision, that may modify the state's liability pursuant to
20 article XIII B, section 6-(a) of the California Constitution. The Commission shall find that the
21 requester has made an adequate showing if it finds that the request, when considered in light of
22 all of the written comments and supporting documentation in the record of this request, has a
23 substantial possibility of prevailing at the second hearing.

24 (2) At least eight weeks before the hearing or at another time required by the executive director
25 or stipulated to by the parties, Commission staff shall prepare a draft proposed decision and
26 distribute it to the parties, interested parties, and any person who requests a copy, and shall post
27 it on the Commission's website. A request for mandate redetermination is set for the first hearing
28 when Commission staff issues its draft proposed decision. A written notice of the date, time, and
29 place of the first hearing shall be served on everyone on the mailing list described in section
30 1181.4 of these regulations and posted on the Commission's website.

31 (3) Written comments concerning the draft proposed decision may submitted to Commission
32 staff. Written comments shall be filed and served as described in section 1181.3 of these
33 regulations, by the date determined and publicized by the executive director. A three-week
34 period for comments shall be given, subject to the executive director's authority to expedite all
35 matters pursuant to Government Code section 17530. All written comments timely filed shall be
36 reviewed by Commission staff and may be incorporated into the proposed decision of the request
37 to adopt a new test claim decision.

38 (A) It is the Commission's policy to discourage the introduction of late comments, exhibits, or
39 other evidence filed after the three-week comment period described in subdivision (a)(3) of this
40 section. The Commission need not rely on, and staff need not respond to, late comments,
41 exhibits, or other evidence submitted in response to a draft proposed decision.

1 (4) Before the first hearing on the request for mandate redetermination, Commission staff shall
2 prepare a proposed decision limited to the issue of whether the requester has made a showing
3 that identifies a subsequent change in law, material to the prior test claim decision, which may
4 modify the state’s liability pursuant to article XIII B, section 6(a) of the California Constitution.
5 This proposed decision shall consider the request, written comment, rebuttals, and supporting
6 documentation filed by the parties and interested parties. The proposed decision for the first
7 hearing shall find that the requester has made an adequate showing if staff finds that the request,
8 when considered in light of all of the written comments and supporting documentation in the
9 record of this request, has a substantial possibility of prevailing at the second hearing.

10 (5) If, at the first hearing, the Commission finds that:

11 (A) -The requester has not made an adequate showing, when considered in light of all of the
12 written comments, rebuttals and supporting documentation in the record and testimony at the
13 hearing, that the request for mandate redetermination has a substantial possibility of prevailing at
14 the second hearing, the Commission shall publish a decision denying the request for mandate
15 redetermination.

16 (B) The requester has made an adequate showing, when considered in light of all of the written
17 comments, rebuttals, and supporting documentation in the record and testimony at the hearing,
18 the Commission shall publish a decision finding that an adequate showing has been made and
19 setting the second hearing on whether the Commission shall adopt a new test claim decision to
20 supersede the previously adopted test claim decision.

21 (6) Everyone on the mailing list described in section 1181.4 of these regulations shall be
22 provided written notice that the Commission’s decision has been posted on the -Commission’s
23 website and, if applicable, that the date, time, and place of the second hearing have also been
24 posted on the Commission’s website.

25 (b) The Second Hearing:

26 (1) If the Commission proceeds to the second hearing, it shall consider whether the state’s
27 liability pursuant to article XIII B, section 6(a) of the California Constitution has been modified
28 based on the subsequent change in law alleged by the requester, thus requiring adoption of a new
29 test claim decision to supersede the previously adopted test claim decision. If the Commission
30 finds that the state’s liability pursuant to article XIII B, section 6(a) of the California Constitution
31 has been modified based on the subsequent change in law alleged by the requester, it shall adopt
32 a new decision that reflects the modified liability of the state.

33 (2) Before the second hearing, Commission staff shall prepare a proposed decision. At least eight
34 weeks before the hearing or at another time required by the executive director or stipulated to by
35 the parties, Commission staff shall prepare a draft proposed decision and distribute it to everyone
36 on the mailing list described in section 1181.4 of these regulations and post it on the
37 Commission’s website. The proposed decision shall consider the request, and any written
38 comments and rebuttals and supporting documentation filed.

39 (3) Any party or interested party may file written comments concerning the draft proposed
40 decision with Commission staff. Written comments shall be filed and served as described in
41 Section 1181.3 of these regulations, by the date determined and publicized by the executive
42 director. A three-week period for comments shall be given, subject to the executive director's
43 authority to expedite all matters pursuant to Government Code section 17530. All written

1 comments timely filed shall be reviewed by Commission staff and may be incorporated into the
2 proposed decision.

3 (A) It is the Commission’s policy to discourage the introduction of late comments, exhibits, or
