California Public Records Act, 02-TC-10 and 02-TC-51
Government Code Section 6252, et al.
Los Angeles County and Riverside Unified School District, Claimants

Dear Mr. Jewik and Mr. Petersen:

The Commission on State Mandates adopted the attached Statement of Decision on May 26, 2011. State law provides that reimbursement, if any, is subject to Commission approval of parameters and guidelines for reimbursement of the mandated program, approval of a statewide cost estimate, a specific legislative appropriation for such purpose, a timely-filed claim for reimbursement, and subsequent review of the claim by the State Controller's Office.

Following is a description of the responsibilities of all parties and of the Commission during the parameters and guidelines phase.

- **Claimant's Submission of Proposed Parameters and Guidelines.** Pursuant to Government Code section 17557 and California Code of Regulations, title 2, sections 1183.1 et seq., the claimant is responsible for submitting proposed parameters and guidelines by **June 30, 2011**. See Government Code section 17557 and California Code of Regulations, title 2, sections 1183.1 et seq. for guidance in preparing and filing a timely submission. Also, the claimant may propose a "reasonable reimbursement methodology," a formula for reimbursing local agency costs mandated by the state. (See Gov. Code, § 17518.5 and Cal. Code Regs., tit.2, 1183.13.)
- **Review of Proposed Parameters and Guidelines.** Within ten days of receipt of completed proposed parameters and guidelines, the Commission will send copies to the Department of Finance, Office of the State Controller, affected state agencies, and interested parties who are on the enclosed mailing list. Any recipient may propose a "reasonable reimbursement methodology" pursuant to Government Code section 17518.5. All recipients will be given an opportunity to provide written comments or recommendations to the Commission within 15 days of service. The claimant and other interested parties may submit written rebuttals. (See Cal. Code Regs., tit. 2, § 1183.11.)

Reasonable Reimbursement Methodology and Statewide Estimate of Costs

- **Test Claimant and Department of Finance Submission of Letter of Intent.** Within 30 days of the Commission's adoption of a Statement of Decision on a test claim, the test claimant(s) and the Department of Finance may notify the executive director of the Commission in writing of their intent to follow the process described in Government Code sections 17557.1–17557.2 and section 1183.30 of the Commission's regulations to develop a *reasonable reimbursement methodology* and *statewide estimate of costs* for the initial claiming period and budget year for reimbursement of costs mandated by the state. The letter of intent shall include the date on which the test claimant and the Department of Finance will submit a plan to ensure that costs from a representative sample of eligible claimants are considered in the development of a reasonable reimbursement methodology.
- **Test Claimant and Department of Finance Submission of Plan.** Pursuant to the letter of intent, the test claimant and the Department of Finance shall submit an original and two copies of the *jointly developed plan* for development of a reasonable reimbursement methodology and statewide estimate of costs to the Commission.
