**COMMISSION ON
STATE MANDATES**

Dear Ms. Higashi:

The Department of Finance respectfully requests an extension to file comments on various test claims and other filings related to reimbursable State mandated costs submitted by school and community college districts as indicated on Attachment A. Previously, the Commission granted us an extension until May 18, 2004, to file comments on a significant number of filings. At the Commission's request, we continued to submit comments on a flow basis to the extent possible and prioritized matters that were closer to conclusion.

Although we have now submitted comments on some filings, we were unable to complete our review for a number mandates due to our May Revision-related budget workload, the complexity and scope of particular filings, and a reduction in staffing. We therefore request additional extensions on the attached list of test claims. In all cases, we request an additional 90-day extension to August 9, 2004, in order to invest the significant time required to review these submissions and allowing for our work associated with finalizing the 2004-05 Budget Act with the Legislature. As always, we will continue to submit comments on a flow basis, and would welcome the Commission's suggestions as to the relative priority of test claims that remain pending.

As required by the Commission's regulations, we are including a "Proof of Service" indicating that the parties included on the mailing lists which accompanied your letters have been provided with copies of this letter via either United States Mail or, in the case of other State agencies, Interagency Mail Service.

If you have any questions regarding this letter, please contact Pete Cervinka, Principal Program Budget Analyst, at (916) 445-0328 or Keith Gmeinder, State mandates claims coordinator for the Department of Finance, at (916) 445-8913.

Sincerely,

Jeannie Oropeza
Program Budget Manager
