Re: NOTICE OF SEVERANCE:
Education Code Sections 70902, subdivision (b)(1), (as relating to facility plans)

Minimum Conditions for State Aid (02-TC-25 and 02-TC-31)
Los Rios Community College District and
Santa Monica Community College District, Co-claimants

AND CONSOLIDATION WITH:
Community College Construction (02-TC-47)
Santa Monica Community College District, Claimant

Dear Mr. Petersen:

It has been determined that it is necessary to sever Education Code section 70902, subdivision (b)(2), as it relates to district facility plans and programs, from the *Minimum Conditions for State Aid* (02-TC-25 and 02-TC-31) test claim and consolidate subdivision (b)(2) with the *Community College Construction* (02-TC-47) test claim.

This determination is being made after review of your April 21, 2011 comments in response to the draft staff analysis for the *Minimum Conditions for State Aid* (02-TC-25 and 02-TC-31) test claim, and in light of the January 19, 2011 severance of Education Code sections 81820, 81821, and 81823, which address community college district capital construction plans, from the *Minimum Conditions for State Aid* (02-TC-25 and 02-TC-31) test claim to the *Community College Construction* (02-TC-47) test claim.

This action is being taken pursuant to my authority under Government Code section 17530 and California Code of Regulations, title 2, section 1183.06, and will be effective 10 days from the service of this letter.

As provided in the Commission's regulations this action and decision of the executive director may be appealed to the Commission for review. Please refer to California Code of Regulations, title 2, section 1181, subdivision (c).

Mr. Keith Petersen
