Re: NOTICE OF SEVERANCE:
Education Code Sections 81820, 81821, and 81823

Minimum Conditions for State Aid (02-TC-25 and 02-TC-31)
Los Rios Community College District and
Santa Monica Community College District, Co-claimants

AND CONSOLIDATION WITH:
Community College Construction (02-TC-47)
Santa Monica Community College District, Claimant

Dear Mr. Petersen:

After review of *Minimum Conditions for State Aid* (02-TC-25 and 02-TC-31) and *Community College Construction* (02-TC-47), it has been determined that both test claims have pled Education Code sections 81820, 81821 and 81823, which address the preparation of capital construction plans by community college districts and the submission of these plans to the Board of Governors of the California Community Colleges.

For the sake of efficiency, Education Code sections 81820, 81821 and 81823 will be severed from the *Minimum Conditions for State Aid* (02-TC-25 and 02-TC-31) test claim and consolidated with the *Community College Construction* (02-TC-47) test claim. This action is being taken pursuant to my authority under Government Code section 17530 and California Code of Regulations, title 2, section 1183.06, and will be effective 10 days from the service of this letter.

As provided in the Commission's regulations this action and decision of the executive director may be appealed to the Commission for review. Please refer to California Code of Regulations, title 2, section 1181, subdivision (c).

Mr. Keith Petersen
