Dear Ms. Patton:

Re: Test Claim 10-TC-07

California Regional Water Quality Control Board, Santa Ana Region, Order No. R8-2010-0033

Request for 90 Day Extension of Time to Submit Comments of the California Regional Water Quality Control Board, Santa Ana Region

This is a request for a 90 day extension of time in which to submit comments in the above-noted matter. Currently, the Santa Ana Regional Water Quality Control Board's (Santa Ana Water Board's) comments are due on March 28, 2011. The February 16, 2011 Notice of Complete Test Claim Filing and Schedule For Comments provides that requests for extensions of time may be filed in accordance with California Code of Regulations, title 2, chapter 2.5, sections 1183.01, subdivision (c) and 1181.1, subdivision (g). As explained herein, the Santa Ana Water Board believes that good cause exists for granting a 90 day extension of time, which would extend the deadline to June 27, 2011. (June 26, 2011, which is 90 days from the current deadline, is a Sunday.)

California Code of Regulations, title 2, chapter 2.5, section 1183.01, subdivision (c), provides that a party may request an extension of time before the date set for the filing of comments. (Cal. Code Regs., tit. 2, ch. 2.5, § 1183.01, subd. (c)(1).) The Executive Director may approve a request filed by a state agency for good cause. (*Id.*, at § 1183.01, subd. (c)(1)(B).) The applicable regulations define "good cause" to include, but not be limited to, the following factors:

(1) the number and complexity of the issues raised; (2) a party is new to the case, or other counsel is needed; (3) the individual responsible for preparing the document has other time-limited commitments during the affected period; (4) the individual responsible for appearing at the hearing has other time-limited commitments; (5) illness of a party; (6) a personal emergency; (7) a planned vacation that cannot reasonably be rearranged; (8) a pending public records act request; and (9) any other

factor, which in the context of a particular claim constitutes good cause. Good cause may be established by a specific showing of other obligations involving deadlines that as a practical matter preclude filing the document by the due date without impairing quality.

(Cal. Code Regs., tit. 2 § 1181.1, subd. (h).)

The Test Claim filed by the County of Riverside on behalf of itself and other municipalities concerns permit requirements established in Santa Ana Water Board Order No. R8-2010-033. The Claimants contend that Order No. R8-2010-033 requires them to establish and implement many new programs and activities that are not required by federal law and that were not required in earlier versions of the challenged order. They seek a determination that these programs and activities are state mandates for which they should receive reimbursement. This Test Claim raises numerous and complex issues specific to Order No. R8-2010-0033.

Last week, the Santa Ana Water Board submitted its comments on Test Claim 09-TC-03. I was the sole attorney working on that Test Claim, and am the sole attorney assigned to the Riverside County Test Claim. Responding to Test Claim 09-TC-03 required a substantial amount of time and effort and constituted a significant increase over my typical workload. I have several other matters that must be addressed before I can give my full attention to the Riverside County Test Claim. Additionally, as my workload has prevented me from taking my furlough days over the last few months, I have been ordered to do so in the next few weeks. Accordingly, it would be virtually impossible to respond appropriately to the Riverside County Test Claim by the current deadline.

I have consulted with Riverside County and they support this request for extension. Therefore, for the reasons set forth above, the Santa Ana Water Board requests that the due date for written comments on the Test Claim be extended 90 days to June 27, 2011. The Santa Ana Water Board believes that good cause exists to allow the Commission to grant the requested extension and appreciates your consideration of this request.

1) FOR DR

Sincerely,

David R. Rice Staff Counsel
