Dear Ms. Hagan:

The Commission has received your 10th request for an extension of time to submit comments on the above-named matter. In the request, you noted that counsel for the claimants authorized you to represent to the Commission that the claimants stipulate to the 120-day extension request. Section 1183.01(c)(1)(A) of the Commission's regulations provides that extensions by stipulation shall be approved by the executive director for good cause.

Furthermore, because this item is not yet set for hearing, the granting of this extension will not cause further delay. Hence, there is no prejudice to the parties as a result of this extension.

Your request for extension of time to submit comments on this matter is approved for good cause. Comments are now due on or before **August 13, 2013**.

Please contact Lorenzo Duran at (916) 323-3562 if you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather Halsey".
