Dear Mr. Kenner:

The Commission on State Mandates (Commission) has received your 8th request for an extension of time to submit comments on the above-named matter. Section 1183.01(c)(1)(B) of the Commission's regulations provides that a request for an extension of time to file comments *may* be approved by the executive director for good cause. This matter is tentatively set for hearing on December 6, 2013. Because this extension will not cause delay or prejudice, this request is granted.

Your request for extension of time to submit comments on this matter is approved for good cause. Comments are now due on or before **April 7, 2013**.

However, as noted in the last extension you were granted, Commission staff will soon begin work on this matter. Therefore, this will likely be the last extension request approved unless there is a stipulation of all the parties since any future request would cause delay in the hearing of this matter. Section 1183.01(c)(1)(A) of the Commission's regulations provides that extensions by stipulation *shall* be approved by the executive director for good cause.

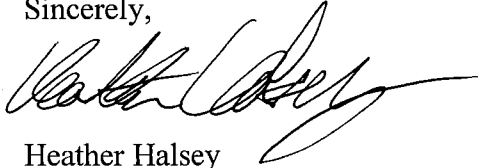

Please note that most claims filed with the Commission are of statewide significance, affect multiple local agencies, and raise complex issues. This claim does not appear to be unique in that regard.

Also, please note that Ms. Nancy Patton has not been acting executive director since March 2012 and no longer works at the Commission.

Please contact Heidi Palchik at (916) 323-3562 if you have any questions.

Sincerely,
