City of San Marcos, Claimant

Dear Ms. Chinn:

On September 22, 2020, the City of San Marcos (claimant) filed a request with the Commission on State Mandates (Commission) for an extension of time to file comments on the Draft Proposed Decision on the above-captioned Incorrect Reduction Claim (IRC), currently due September 25, 2020, in addition to a postponement of hearing, currently scheduled for December 4, 2020.

Specifically, the claimant requests a one or preferably two-month extension of time and a postponement of hearing to the next regularly scheduled meeting¹ to review and respond to the Draft Proposed Decision because staffing has been adversely affected due to the response to the COVID-19 situation and other ongoing projects.

However, section 1181.3(a) of the Commission's regulations provide that all new filings and written materials filed with the Commission shall be signed at the end of the document, under penalty of perjury, with the declaration that the filing is true and correct to the best of the declarant's personal knowledge, information, or belief. The date of signing, the declarant's title, address, telephone number, and email address, if applicable, shall be included.

¹ The request indicates postponement until *February*. However, even though the Commission has not yet adopted its 2021 hearing calendar, Commission meetings are generally held the fourth Friday of odd months, so the next regularly schedule Commission meeting would be January 22, 2021.

Therefore, as this required certification was not included, the request for extension and postponement is denied. Accordingly, the claimant's comments remain due **September 25, 2020**. This matter remains set for hearing on **December 4, 2020**.

Sincerely,

A handwritten signature in cursive script, appearing to read "Heather Halsey".
