Comments to Commissions Draft Proposed Decision, Municipal Storm Water, City of Lakewood IRC, 20-0304-I-07

Dear Ms. Halsey,

Please accept the City of Lakewood's comments to the Commission of State Mandate's staff Draft Proposed Decision regarding our Incorrect Reduction claim.

We concur with staff's recommendation regarding Issue 1. Claiming instructions for Ongoing Maintenance Costs were specifically drafted to utilize a Reasonable Reimbursement Methodology which was designed to offer a simplified and uniform method to compute trash receptacle maintenance costs without the burden of providing the actual contemporaneous source documentation. We look forward to working with the State Controller's Office to reach an equitable resolution for these costs.

However, we disagree with staff's conclusion on Issue 2 that Proposition A funds should have been deducted from our reimbursement claims. We stand by our analysis and believe that it would be equitable for the State to reimburse the City for costs expended to implement a State Mandated program. We incurred these costs in good faith and expectation these mandated costs would be reimbursed that we could than repay and restore those funds to pay for true city priorities. Commission staff analysis overlooks the realities of how scarce General Fund dollars are. Paying for expensive State Mandated programs from General Funds is often not possible and local agencies are forced to seek other funding sources to comply with State laws.

I am personally conversant with the foregoing facts and information presented in this Incorrect Reduction Claim, and if so required, I could and would testify to the statements made herein. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct of my own personal knowledge or belief.

Executed this 13th day of June, 2022 in Lakewood, California.

Respectfully submitted,

Jose Gomez

Director of Finance and Administrative Services

City of Lakewood
