Los Angeles County, Requestor

Dear Ms. Halsey:

The State Controller's Office respectfully requests a 30-day extension—from May 18, 2012, to June 18, 2012—to provide comments on Los Angeles County's proposed reasonable reimbursement methodology. We are requesting the additional time in order to work with Los Angeles County in resolving a few outstanding technical issues related to the proposal. Existing priorities have prevented our office from resolving the outstanding issues by today's response date.

Thank you for your consideration of this request.

Sincerely,
