RE: Notice of Extension Request Approval

Waste Discharge Requirements and Water Quality Certification for: Santa Clara Valley Water District and U.S. Army Corps of Engineers, Upper Berryessa Creek Flood Risk Management Project, 17-TC-04

San Francisco Bay Regional Water Quality Control Board Order No. R2-2017-0014, Provision B. 19, effective April 12, 2017

Santa Clara Valley Water District, Claimant

Dear Ms. Austin and Ms. Li:

On May 29, 2018, the Commission on State Mandates (Commission) received the San Francisco Bay Regional Water Quality Control Board's (Regional Board's) request for extension of time to submit the administrative record on the Order and written comments on the above-captioned Test Claim.

On May 30, 2018, the Commission received the Department of Finance's (Finance's) request for extension of time to file comments on the above-captioned Test Claim.

Specifically, the Regional Water Board's request states that the Regional Water Board requires an extension until July 15, 2018, due to the fact that Ms. Austin is the sole attorney assigned to this matter, and has a reduced work schedule due to medical reasons.

In addition, Finance's request states that an extension is required due to workload related to the enactment of the 2018 Budget Act limiting staff availability to review and respond to the test claim filing.

Section 1187.9(a) of the Commission's regulations provide that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request shall be approved.

Therefore, the Regional Board's administrative record on the Order and comments on the Test Claim from both the Regional Board and Finance are now due **July 15, 2018**. This matter remains tentatively set for hearing on **July 26, 2019**.

Sincerely,

Heather Halsey
Executive Director
