RE: Second Notice of Rescheduled Meeting

On April 8, 2026, the building housing the Commission on State Mandates (Commission) office experienced a burst pipe and a resulting fire making the office inaccessible. Due to our continuing inability to access the office, the Commission meeting originally set for Friday, April 10, 2026, and rescheduled to May 15, 2026, is again rescheduled to Friday, June 12, 2026. The Commission will hear all items on both the April agenda and the June agenda at the June 12, 2026 meeting.
