 Executive Orders of the California Integrated Waste Management Board

Dear Ms. Higashi:

On behalf of the California Integrated Waste Management Board, I am requesting the Commission on State Mandates to grant an extension of time for reviewing and providing written comments on the above noted Test Claim. The request for extension is based on our need for input from a program staff member who has been on vacation, as well as the complexity of the claim. We propose extending the deadline for comments from April 19 to May 18, 2001.

Included with this letter is a Proof of Service for the interested parties on the mailing list that was provided in the March 20, 2001 letter from your office. Each of these parties is being served a copy of this letter either via U. S. Mail or State Interagency Mail.

If you have any questions, please contact Deborah Borzelleri, Staff Counsel, at (916)341-6056. Thank you for your consideration of this matter.

Sincerely,

Bonnie Bruce
 Interim Executive Director
