Subject: Item 5 - Consent Calendar
Importance: High

Nancy:

Please accept this email as the claimants' official request to place the following item on the consent calendar for the May 29, 2003 Commission on State Mandates hearing:

Item 5: Certification of Teacher Evaluators Demonstrated Competence (incorrect reduction claim)

The claimants stress their continued disagreement with the State Controller and Commission's analysis on this issue, but do not wish to drag the matter out further before the Commission. The request to place this item on the consent calendar is in no way intended to act as the claimant's agreement with the findings or to limit the claimants' ability to seek other relief as is proper.

Thank you,

David
