San Diego Unified School District, Claimant

Dear Ms. Donovan and Mr. Spano:

On July 28, 2011, the Commission on State Mandates (Commission) adopted the statement of decision to partially approve the incorrect reduction claim in the above-entitled matter.

The Commission remands this claim back to the State Controller's office to request that it determine the amount of the district's reimbursement claim that is attributable to earthquake emergencies, and reimburse the district for that amount, less \$174,957 for in-classroom time.

Please see the enclosed statement of decision. Please contact me at (916) 323-3562 if you have any questions.

Sincerely,
