**Re: Incomplete Test Claim**

*Local Government Employment Relations*

Government Code Sections 3500, 3501, 3502.5, 3507.1, 3508.5, 3510, 3511

California Code of Regulations, Title 8, Sections 31001 to 61630

Statutes 2000, Chapter 901

Dear Mr. Burdick:

On June 27, 2002, the Commission on State Mandates received a test claim filing on *Local Government Employment Relations* from the City of Sacramento and County of Sacramento.

Commission staff has reviewed this filing and determined that it is incomplete for the following reason:

- The activities alleged to be reimbursable on pages 6 and 7 of the test claim narrative do not identify the corresponding statute or regulation imposing the increased cost.

To complete the filing, the claimant must identify the statute or regulation that imposes the increased cost for each activity alleged to be reimbursable. If a completed test claim is not received by the Commission within 30 days from the date of this letter, the original test claim filing date will be disallowed. (Cal. Code Regs., tit. 2, § 1183, subd. (i).)

Please contact Nancy Patton at (916) 323-8217 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Shirley Opie".
