City of Lathrop, Claimant

Dear Ms. James and Ms. Kanemasu:

On October 16, 2002, the City of Lathrop filed the above-named incorrect reduction claim (IRC) with the Commission on State Mandates (Commission). An IRC is a claim alleging that the Office of the State Controller (Controller) incorrectly reduced the reimbursement claim of a local agency or school district. The Commission is a quasi-judicial body whose primary responsibility is to hear and decide test claims that allege that the Legislature or a state agency imposed a reimbursable state mandate program upon local government. Additionally, the Commission hears and decides IRCs.

Communication with the Office of the State Controller

It has been several years since the filing of this claim and due to a significant caseload backlog, the Commission has not yet heard this matter. After the Commission adopted two decisions on IRCs on the *Investment Reports* program addressing issues that cut across all or most of the pending IRCs on this program, a stipulation was entered into between claimant representatives, the Commission, and the Controller to attempt to negotiate settlements on the remaining IRCs on this program. As a result, settlements have been negotiated by the claimants and the Controller on approximately 59 out of the 70 IRCs filed on the *Investment Reports* program. However, for some local governments, changes in staffing and claimant representatives may have led to the loss of institutional knowledge concerning their IRC filing and consequently a paucity of communication between the claimant and the Controller. If you wish to discuss the potential settlement of this IRC with the Controller, please contact Jay Lal, Manager, Division of Accounting and Reporting at jlal@sco.ca.gov or (916) 324-0256.

Commission Hearing and Submittal of Additional Documents

Having eliminated much of its backlog, the Commission has tentatively scheduled the hearing of IRCs on this program. **This IRC is tentatively scheduled for hearing in January 2015.** As this hearing date is tentative and subject to change (to either an earlier or later date), you may

wish to monitor the pending caseload for IRCs, which provides the tentative hearing dates for all pending IRCs here: http://www.csm.ca.gov/docs_pending/all_irc.pdf

Please review your *Investment Reports* IRC on the Commission's website at http://www.csm.ca.gov/pending_caseload.php#i2. Given that so much time had elapsed and that the Commission has adopted decisions on two IRCs for this program,¹ which may address some of the same issues raised in your claim, if you are unable to or do not wish to negotiate a settlement with the Controller, you may wish to submit additional comments or documentary evidence to further support your claim for hearing. If so, please make such submittals as soon as possible, but no later than August 1, 2014, so that they may be considered in the draft decision on the IRC. You are advised that documents filed with the Commission are required to be simultaneously served on everyone on the mailing list for the matter, and to be accompanied by a proof of service. However, this requirement may also be satisfied by electronically filing your documents. Please see <http://www.csm.ca.gov/dropbox.shtml> on the Commission's website for instructions on electronic filing. (Cal. Code Regs., tit. 2, § 1181.2.)

Communication with the Commission

Please contact the Commission by **April 24, 2014** to indicate whether you plan to negotiate with the Controller or wish to proceed with the hearing of this matter.

Please contact Jason Hone at jason.hone@csm.ca.gov or (916) 323-3562 if you have any questions.

Sincerely,

Heather Halsey
