RE: **Additional Information Requested from California Community Colleges
Chancellor's Office**
Extended Opportunities Programs and Services (02-TC-29)
West Kern Community College District, Claimant

Dear Mr. Petersen:

On May 4, 2009, Commission staff requested the regulatory history and Statement of Reasons for Title 5, California Code of Regulations, section 56210 (Register 83, No. 18, 4-30-83) from the California Community Colleges Chancellor's Office. On May 19th Commission staff reviewed the relevant files at the California Community Colleges Chancellor's Office and determined that Register 83, No. 18, is not relevant to the *Extended Opportunities Programs and Services (02-TC-29)* test claim. However, the Register 87, No. 40 file contained relevant information.

Commission staff retrieved the regulatory history for the 1987 EOPS regulation package, Register 87, No. 40, including the following documents:

- Final Statement of Reasons (Amended)
- Final Statement of Reasons
- Initial Statement of Reasons
- Board of Governors of the California Community Colleges July 10-11, 1986, Agenda Item 7, EOPS Regulations
- Explanation of Changes from Regulations as Originally Noticed

A copy of these documents is enclosed for your information. We will include these documents as exhibits to our final staff analysis.

Please contact Heather Halsey at (916) 323-3562 if you have questions.

Sincerely,

A handwritten signature in cursive script that reads "Paula Higashi".
