RE: Approval of Extension Request

Uniform Complaints Procedures (K-12), 03-TC-02
Education Code Section 200 et al.
Solana Beach School District, Claimant

Dear Mr. Schweizer and Mr. Smith:

The Commission on State Mandates (Commission) received an extension request from the Department of Finance to submit additional information on the above-named matter. While processing the approval of that request, the Commission also received an extension request from the Department of Education. The requests for extension of time are approved for good cause.

However, in order to keep this item on the Commission's July agenda and prevent further delay in reducing the Commission's backlog, the draft staff analysis for this claim will be issued on or about May 31, 2012. Any additional information received from the parties and affected state agencies after issuance of the draft staff analysis will be considered in the final staff analysis. The final staff analysis will be issued on or about July 12, 2012.

Comments are now due from all parties and affected state agencies on or before **June 15, 2012**. However, if you are able to submit any of the information before May 31, 2012, it would be greatly appreciated by the Commission staff.

Please contact Heidi Palchik at (916) 323-8218 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Nancy Patton".
