Dear Mr. Jewik and Mr. Kaye:

On February 16, 2012, the Commission received your request for extension of time to file comments, and request to postpone the March 23, 2012 hearing on the above-named matter. Staff requested additional information regarding the reasons for the need for the extension and postponement. On March 2, 2012, the Commission received your response. Based on our phone conversation today where I asked you to clarify your comments, your request for extension and postponement is granted.

We understand that because of this matter's complexity, your county counsel is analyzing the matter, and you need additional time for county counsel to complete their analysis.

Therefore, this matter is continued to the **May 25, 2012** hearing. Comments on the draft staff analysis are due on or before **April 23, 2012**. Please be advised that no further extensions for postponements will be granted.

Please contact me at (916) 323-8217 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Nancy Patton".
