Ms. Paula Higashi, Executive Director  
Commission on State Mandates  
980 Ninth Street, Suite 300  
Sacramento, CA 95814

Dear Ms. Paula Higashi:

The Office of Public School Construction is requesting a 30 day extension for the submittal of our comments to the Commission on State Mandates regarding the test claim for *Williams Case Implementation II*, 07-TC-06. Due to end of year program deadlines for application submittals and deadlines for annual enrollment adjustments, our office is currently operating at its peak workload capacity. Additionally, we have experienced a high rate of staff turnover throughout the past six months and do not have additional resources to redirect to other projects. Therefore, we are respectfully requesting a 30 day extension for the submittal of our comments to your office.

Please do not hesitate to call me at (916) 323-7252 with any questions you may have regarding this request.

Regards,

Rob Cook  
Executive Officer
