Re: Test Claim No. 07-TC-09
Request for Additional Time to Submit Rebuttal Comments to Comments Submitted by the State Water Resources Control Board, the California Regional Water Quality Control Board, San Diego Region, and the Department of Finance on the proposed Parameters and Guidelines submitted by Test Claimants.

Dear Ms. Higashi:

Test Claimants request an extension of time to submit rebuttal comments to the comments submitted by the State Water Resources Control Board, the California Regional Water Quality Control Board, San Diego Region, and the Department of Finance (collectively referred to as the "State") on the proposed parameters and guidelines submitted by the Test Claimants filed on June 28, 2010. The proposed parameters and guidelines are lengthy and complex. The comments received from the State are detailed and will require substantial time and effort to fully respond to. In addition, we are currently in the process of responding to the petition for writ of mandate filed by the State and are also developing Reasonable Reimbursement Methods with respect to some of the mandated activities. We believe good cause exists under California Code of Regulations, Title 2, Section 1181.1(h) for granting the requested extension and request an extension to and including November 16, 2010.

If you have any questions or need additional information to substantiate our request for an extension of time, please contact me at your convenience at (619) 531-6259.

Very truly yours,

JOHN J. SANSONE, County Counsel
