San Diego Community College District, Claimant

Dear Ms. Halsey:

The State Controller's Office (SCO) has reviewed the Commission on State Mandates' (Commission) draft staff analysis dated June 17, 2015, for the above incorrect reduction claim filed by San Diego Community College District. We support the Commission's conclusion and recommendation.

The Commission supported the SCO adjustments related to the following:

- The audit of the district as a whole (accounting for all district health centers) was consistent with the test claim statute and the parameters and guidelines. Therefore, the inclusion of costs incurred by the district's Miramar and Mesa Colleges is correct as a matter of law.
- The reduction based on understated offsetting health service fee revenues applicable to the district's Miramar and Mesa Colleges, totaling \$3,210,288, is correct as a matter of law.
- The reduction based on understated offsetting revenues applicable to the district's Miramar and Mesa Colleges, totaling \$852,152, is correct as a matter of law.
