Dear Mr. Bohan:

The State Controller's Office respectfully requests a seven-day extension to provide further briefing and information related to the claimant's Handicapped and Disabled Students Program Incorrect Reduction Claim and the Draft Staff Analysis. We are requesting additional time because our Staff Counsel responsible for providing the briefing and information is tied up with pending litigations and is unable to respond by April 15, 2011. The Staff Counsel should be able to respond by April 22, 2011.

Thank you for your consideration of this request.

Sincerely
