Re: Test Claim No. 10-TC-02 Request for Extension of Time to Submit Written Rebuttal Comments

Dear Ms. Patton:

We are writing on behalf of the County of Alameda, the Cities of Alameda, Albany, Berkeley, Dublin, Emeryville, Fremont, Hayward, Livermore, Newark, Oakland, Pleasanton, San Leandro, and Union City, the Alameda County Flood Control & Water Conservation District, and the Alameda County Flood Control and Water Conservation, Zone 7 (hereinafter the "Claimants") to respectfully request an extension of time to submit written rebuttal comments to the response to Test Claim No. 10-TC-02 submitted by the San Francisco Bay Regional Water Quality Control Board (hereinafter "Regional Board") and the California Department of Finance (hereinafter "Department of Finance").

The Executive Director of the Commission on State Mandates may grant a request for extension filed by a party for "good cause." (2 Cal. Code Regs. § 1183.01(c)(1)(B).) Under California Code of Regulations, title 2, section 1181.1, subdivision (h), good cause:

may include, but is not limited to, the following factors: (1) the number and complexity of the issues raised; (2) a party is new to the case, or other counsel is needed; (3) the individual responsible for preparing the document has other time-limited commitments during the affected period; (4) the individual responsible for appearing at the hearing has other time-limited commitments; (5) illness of a party; (6) a personal emergency; (7) a planned vacation that cannot reasonably be arranged; (8) a pending public records request; and (9) any other factor, which in the context of a particular claim shows good cause.

The Regional Board's response to the Test Claim consisted of a 65 page response letter, which was accompanied by 4,737 pages of exhibits. The vastness of this response demonstrates the number and complexity of the issues raised by the Regional Board's response.

Received July 06, 2011 Commission on State Mandates

Nancy Patton, Assistant Executive Director July 6, 2011 Page 2

Furthermore, the Claimants require their staff and declarants to review the Regional Board's lengthy response. Many of these witnesses have other time-limited commitments that have made review of the response impracticable to complete by July 18, 2011.

Additionally, the County of Santa Clara and the City of San Jose have requested and received extensions to submit written rebuttal comments. As we understand from the Commission on State Mandates Staff, all Test Claims relating to the Municipal Regional Storm Water Permit will be heard together. Accordingly, even if the Alameda County jurisdictions submitted a response in the time frames specified in the Commission's regulations, the Alameda test claim would not be decided within the timelines for processing test claims set out in section 1183.01(b) of the Commission's regulations. We do not believe that an extension will affect the timing for completing the Test Claim process.

For the reasons set forth above, the Claimants respectfully request that the due date for filing written rebuttal comments to Test Claim No. 10-TC-02 be extended to September 16, 2011.

Sincerely,

Gregory J. Newmark
