Re: Notice of Approval of Extension Request

San Diego Region Water Permit – Riverside County, 11-TC-03
California Regional Water Quality Control Board, San Diego Region,
Order No. R9-2010-0016, NPDES No. CAS 0108766, Adopted November 10, 2010.
County of Riverside, Riverside County Flood Control & Water Conservation District and
the Cities of Murrieta, Temecula and Wildomar, Co-Claimants

Dear Ms. Hagan:

The Commission on State Mandates (Commission) has received your 4th request for an extension of time to submit comments on the above-named matter. In the request, you noted that counsel for the claimants authorized you to represent to the Commission that the claimants stipulate to the 90-day extension request. Section 1183.01(c)(1)(A) of the Commission's regulations provides that extensions by stipulation shall be approved by the executive director for good cause.

Furthermore, because this item is not yet set for hearing due of the Commission's backlog and pending litigation relating to similar test claims, the granting of this extension will not cause further delay. Hence, there is no prejudice to the parties as a result of this extension.

Your request for extension of time to submit comments on this matter is approved for good cause. Comments are now due on or before **January 19, 2013**.

Please contact Heidi Palchik at (916) 323-8218 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather Halsey".

Heather Halsey
Executive Director
