RE: Request for Comment and Legal Argument Relating to the Reconsideration of the Request for Mandate Redetermination on Remand, 12-MR-01-R, Pursuant to *County of San Diego, et al. v. Commission on State Mandates, et al.* (2018) 6 Cal.5th 196

Reconsideration of the Request for Mandate Redetermination on Remand

Sexually Violent Predators (CSM-4509), 12 MR-01-R
Welfare and Institutions Code Sections 6601 through 6608
Statutes 1995, Chapter 762, Statutes 1995, Chapter 763, Statutes 1996,
Chapter 4
Department of Finance, Requester

Dear Ms. Halsey:

The County of San Diego (“County”) submitted a public records request to the Department of State Hospitals (“DSH”) for the following information:

1. From January 1, 1996 to December 31, 2018, please provide the number of referrals (or records sufficient to show such data), delineated by year, the Department of State Hospitals sent to all counties for civil commitment proceedings under Welfare and Institutions Code section 6601.
2. From January 1, 1996 to December 31, 2018, please provide the number of referrals (or records of sufficient to show such data), delineated by year, the Department of State Hospitals sent to the District Attorney's Office for the County of San Diego for civil commitment proceedings under Welfare and Institutions Code section 6601.

Attached hereto as Exhibit A is a true and correct copy of the document produced by DSH in response to the County's request (the "Referral Summary") and the email message that accompanied production of that record.

In keeping with the declining trend of referrals discussed in the 2010 State Auditor Report, the Referral Summary demonstrates that the passage of Jessica's Law has not resulted in a sustained increase in the number of commitment referrals to local governments. To the contrary, the Referral Summary indicates that in the last 7 of the 12 years since Jessica's Law went into effect, the number of referrals to local jurisdictions has remained below 59—the lowest number of referrals made in a single year prior to the enactment of Jessica's Law. Likewise the Referral Summary shows that the State made 1,355 referrals to local jurisdictions in the 11 years prior to the implementation of Jessica's Law (1996-2006), but only 908 referrals in the 12 years post implementation (2007-2018). The data specific to the County tells a similar story—referrals are declining.

In short, the State's own data, as reflected in the Referral Summary, demonstrates the "expanded" sexually violent predator definition in Proposition 83 did not have an appreciable effect on the number of referrals to local governments.

I declare under penalty of perjury that the foregoing, signed on June 12, 2019, is true and correct to the best of my personal knowledge, information or belief.

Respectfully Submitted,

THOMAS E. MONTGOMERY, County Counsel

By

STEPHANIE A. KARNAVAS, Senior Deputy
