Re: **Notice of Limited Extension Request Approval**
California Regional Water Quality Control Board, Los Angeles Region, Order No. R4-2012-0175, 13-TC-02
County of Los Angeles and Los Angeles County Flood Control District, Claimants

Dear Ms. Fordyce:

On November 13, 2017, the Commission on State Mandates (Commission) received the State Water Resources Control Board and the Los Angeles Regional Water Quality Control Board (Collectively Water Boards), request for an extension of time to file comments on the above-captioned Test Claim.

Specifically, the request states that Water Boards require a 90-day extension until February 28, 2018 due to the volume of the record, conflicting workload, and unavailability of staff during the November and December holiday seasons.

Section 1187.9(a) of the Commission's regulations provides that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request for extension shall be approved

However, an extension of more than 60 days, which is already more than twice again the time allotted by statute for comments on a test claim, is excessive and could result in delay. Accordingly, approval of your request for extension of time is limited to 60 days for good cause and comments on the Test Claim from all parties, interested parties, and interested persons are now due **January 29, 2018**.

If you are unable to meet this deadline despite your best efforts to do so, please file another request for extension explaining your efforts and the good cause for granting an additional extension pursuant to Section 1187.9(a) of the Commission's regulations.

This matter remains tentatively set for hearing on September 28, 2018 and the administrative record(s) are still due by November 30, 2017.

Sincerely,

Heather Halsey
Executive Director
