Response to Draft Proposed Decision: Test Claim U Visa 918 Form, Victims of Crime: Nonimmigrant Status, 17-TC-01

Dear Ms. Halsey,

The City of Claremont respectfully submits this response to your Draft Proposed Decision for our UVISA 918 Form, Victims of Crime: Nonimmigrant Status, Test Claim # 17-TC-01.

We agree with Commission staff analysis finding that new Penal Code 679.10 mandates a new program or higher level of service within the meaning of article XIII, section 6 of the California Constitution.

However, we disagree with the Commission's conclusion that "reimbursement is not required" and wish to address the concerns raised by providing evidence to show that reimbursement is required.

### ISSUE 1:

Commission analysis states that "the Test Claim in this case meets the filing requirements and can be based on an estimate that costs to comply with the alleged mandated program will exceed \$1,000. However, ...a claimant is required as a matter of law to show, with evidence in the record, actual increased costs mandated by the state pursuant to Government Code section 17514 in order for reimbursement to be required under article XIII B, section 6 of the California Constitution."

This Test Claim was submitted on March 6, 2018, before the end of the fiscal year; therefore, it was not possible to provide a full accounting of "actual" FY 2017-18 costs at the time of filing.

Now that the fiscal year has ended, the City has obtained actual cost data which is presented in this transmission including: Signed Declarations from the Finance Director and Police Department staff, and support/evidence in the attached "Supplemental Appendix 1" showing that both actual and estimated costs incurred by the City to comply with the mandate exceeded, and will exceed, \$1,000.

#### **ISSUE 2:**

Commission questioned the City's time and cost to process each UVISA request at approximately one hour per case.

Fax: 916.939.7801

The Claremont Police Department staff provided a certification under the penalty of perjury that this was the actual time it took them to perform the activities necessary to comply the requirements of Penal Code 679.10. The process requires the certifying official to first determine that the applicant 1) was a victim of a qualifying crime, 2 determine that individual has suffered "substantial physical or mental abuse" as a result of the qualifying crime 3) possesses information about the criminal activities 4) has been deemed helpful in the investigation or prosecution of that criminal activity." Further the agency must provide "specific details about the nature of the crime investigated or prosecuted and a detailed description of the victim's helpfulness or likely helpfulness to the detection or investigation or prosecution of the criminal activity". The Commission's analysis on pages 12-18 provide a thorough discussion of the various activities a certifying agency must go through in this process.

This is time consuming because it requires the review of the request, the the research of past crime history and reports to determine the facts of the case (sometimes requiring review of audio and video tape recordings of past interviews to determine victims' helpfulness), then finally the completion of forms, and preparation of narratives. Since "there is no statute of limitations that bars immigrant crime victims from applying for a UVISA and law enforcement can sign a certification at any time, and it can be submitted for a victim in an investigation or case that is already closed," this can be extremely time consuming to research old cases that have been archived. We believe that the time presented is true and correct and that the resulting costs exceeded and will exceed \$1,000 per fiscal year.

Commission cites "Legislative history... estimates costs of \$25 per UVISA certification". It is not clear where the \$25 amount came from of how it was computed. There is no explanation or analysis provided by the Assembly Committee on Appropriations. Their document simply states, "If the cost to provide the certification were \$25, the reimbursable mandate would be..." It is possible that the amount was just a guess.

Our costs and times however are based on actual time spent by Police Department staff who actually worked on the alleged mandated activities. The costs are based on the actual salary, benefit, and expenditure data and costs incurred by the City. These facts are supported by evidence provided in the attached Supplemental Appendix 1 including: 1) actual copies of FY 2017-18 UVISA requests processed, and 2) declarations from staff under the penalty of perjury that the time claimed is true and correct.

The Police Department has also provided actual UVISA requests from prior fiscal year showing that four cases were processed in the past (FY 2012-13) and that based on this evidence the City's estimates of five or six requests in future years is a reasonable projection of future activity. The City further provided evidence in the "Supplemental Appendix 1' attached herein, that even if the City were to receive 4 requests in the following fiscal year, and even if the Commission found that Updating Policies and Procedures and one-time training of staff was not reimbursable; estimated costs the City expects to incur would still exceed the minimum \$1000 threshold. (see page 32 of the Supplemental Appendix A.)

\$25 dollars per UVISA request would amount to only 5-10 minutes of a Lieutenant's time. Based on our Police Department's staff experience, 5-10 minutes is the approximate amount of time it takes to simply review and log in the request. As the Commission noted in the Draft Findings, "the Legislative analysis are non-binding" and there is no evidence as to how those costs were determined.

#### ISSUE 3:

We disagree with the Commissions opinion that Update of Policies and Procedures and one-time training of staff are not required by the passage of this new Penal Code.

Commission staff notes itself in it's analysis on page 23, "On October 28, 2015, California Department of Justice issued an Information Bulletin to all California State and Local Law Enforcement Agencies on "new and Existing State and Federal Laws Protecting Immigrant Victims of Crime." The Commission continues on page 25 of its Draft Proposed Decision, "This bulletin states: The Attorney General encourages all agencies and officials subject to California's new law to immediately establish and implement a U visa certification policy and protocol that is consistent with California law and the guidance provided in this law enforcement bulletin." (California Department of Justice Information Bulletin No. DLE-2015-14, "New and Existing State and Federal Laws Protecting Immigrant Victims of Crime," October 28, 2015).

California law enforcement agencies are required to have policies in place to ensure consistent and legal responses to State Statutes. Law enforcement agencies charged with certifying the UVISA requests must be properly informed and trained in the Statutory requirements and therefore Policy and Procedure Manual updates and legal review are the most efficient way to properly implement those new requirements.

The new UVISA requirements are extremely lengthy and complex. We believe the time requested to allow for the one-time training of staff on these complex new activities and the establishment of the written rules and guidelines in Departmental Policies and Procedure manuals is necessary cost that resulted directly from the passage of this new State Mandated program and therefore should be allowed as an eligible one-time cost.

### Conclusion:

Commission found that addition of Penal Code imposed a state-mandated new program or higher level of service and the City has shown with actual and substantial evidence that actual costs were incurred that were "mandated by the State". In addition, we have shown with evidence in the record that the City had received 4 UVISA requests in the past and that therefore the projection of 4 UVISA requests in the future is reasonable and supported by evidence in the record.

Since we have satisfied all the requirements and addressed the issues raised in the Draft Proposed Decision, we believe the Commission must approve this program as eligible for State Reimbursement.

We appreciate your time and consideration and are happy to provide any additional information required. I can be reached at (916) 939-7901.

Sincerely,

Annette S. Chinn

### DECLARATION OF ADAM PIRRIE

I, Adam Pirrie, make the following declaration under oath and under penalty of perjury under the laws of the State of California that the following statements are true and correct of my own personal knowledge:

I am the Chief Financial Officer the City of Claremont. As part of my duties, I am responsible for the complete and timely recovery of costs mandated by the State.

The FY 2017-18 salary, benefit, expenditure and ICRP data presented in Supplemental Appendix 1 and used to compute actual costs is based on actual city financial records and are true and correct.

Based upon Police Department time records, the City of Claremont's actual FY 2017-18 costs to implement the requirements of Penal Code 679.10 which are subject of this Test Claim (referred to as UVISA program) exceeded \$1,000.

The FY 2018-19 estimates of salary, benefit, expenditure and ICRP data presented in Supplemental Appendix 1 are reasonable and accurate approximations of the following fiscal year's costs to comply with the UVISA program.

Based upon Police Department time records and projection of future activity in the UVISA program, the City of Claremont's estimated FY 2018-19 and future year costs will exceed \$1,000 annually.

The City of Claremont did not and does not anticipate receiving any payments, grant funds, or fees to offset any of the costs incurred by the City of Claremont for the implementation of the new activities required by the statutes (UVISA program) in question.

I have examined the information and costs presented in Supplemental Appendix 1 prepared with actual city records and believe these costs were incurred to implement the subject law of this Test Claim, Penal Code 679.10. I find the costs are true and correct, in my opinion, "costs mandated by the State", as defined in Government Code, Section 17514:

"'Costs mandated by the State' means any increased costs which a local agency or school district is required to incur after July 1, 1980, as a result of any statute enacted on or after January 1, 1975, or any executive order implementing any statute enacted on or after January 1, 1975, which mandates a new program or higher level of service of an existing program within the meaning of Section 6 of Article XIII B of the California Constitution."

I am personally conversant with the foregoing facts, and if so required, I could and would testify to the statements made herein.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct based upon my own personal knowledge.

Executed this 16th day of August in Claremont, California.

City of Claremont, Finance Director

### DECLARATION OF SHELLY VANDER VEEN

I, Shelly Vander Veen, make the following declaration under oath and under penalty of perjury under the laws of the State of California that the following statements are true and correct of my own personal knowledge:

I am the Police Chief for the City of Claremont. I have been employed by the City in this capacity since November, 2016 and have been a law enforcement officer since 1993. As part of my duties, I am, and have been directly involved and have personal knowledge of the UVISA processes and activities performed by the City of Claremont which were required by Penal Code 679.10, added by Senate Bill 674, Statutes of 2015.

The Actual FY 2017-18 activities and time spent listed in the attached document (Supplemental Appendix 1, pages 3-4, and 31-33) are actual activities that the Claremont Police Department performed in order to comply with the requirements of Penal Code 679.10.

Based upon my knowledge and experience in law enforcement and this UVISA program, the City of Claremont's expectation that reimbursable state-mandated costs will exceed \$1,000 in future fiscal years is true, correct, and reasonable.

I have examined the information and costs presented in Supplemental Appendix 1 prepared by the City and believe the costs in implementing the subject law, and find that such costs are true and correct, in my opinion, "costs mandated by the State", as defined in Government Code, Section 17514.

I am personally conversant with the foregoing facts and information presented in declaration and in this Test Claim and if so required, I could and would testify to the statements made herein.

### DECLARATION OF MICHAEL CISZEK

- I, Michael Ciszek, make the following declaration under oath and under penalty of perjury under the laws of the State of California that the following statements are true and correct of my own personal knowledge:
  - 1) I am a Lieutenant for the City of Claremont. I have been employed by the City in this capacity since 2009 and have been a law enforcement officer since 1996. As part of my duties, I am, and have been directly involved and have personal knowledge of the UVISA program, process, and activities performed by the City of Claremont which were required by Penal Code 679.10, added by Senate Bill 674, Statutes of 2015 (referred to as the UVISA program).
  - 2) The copies of UVISA requests and Form I-918 documents attached to this Supplemental Appendix 1 are actual cases processed by the Claremont Police Department and are true and correct.
  - 3) While collecting records/evidence to support this Declaration and address Commission issues brought up in their Draft Proposed Decision letter, it came to my attention that there was a UVISA case processed before the 11-21-2017 case pled in our Test Claim to be the first incurred as a result of the new Test Claim subject statutes.
    - The "UVISA case was actually the first costs incurred to implement the requirements of Penal Code Section 679.10 subject of this Test Claim. This case was sent to the City on July 25, 2017 (based on the cover letter date) and was processed during August, 2017. The paperwork for both of those cases is attached in Supplemental Appendix 1 as evidence of actual cost.
  - 4) The Actual FY 2017-18 activities and time spent listed for me in the attached Supplemental Appendix 1 document are true and correct and actual activities that I performed in order to comply with the requirements of Penal Code 679.10.
    - Based on actual financial data provided by the Claremont Finance Department, the actual costs incurred FY 2017-18 exceeded \$1,000.
  - 5) I have personal knowledge that in Fiscal Year 2012-13, the City of Claremont Police Department received 4 (four) UVISA requests. Copies of those actual requests are attached to this declaration to provide "substantial" evidence in the record that our projection of 4 cases per fiscal year in future fiscal year is an accurate and reasonable estimate of future UVISA activity.
  - 6) The Estimated FY 2018-19 activities and time spent in the attached document (Supplemental Appendix 1, pages 1-8) are true and correct estimates. Estimated costs to comply with this mandated program during FY 2018-19 are expected to exceed \$1,000.

- 7) I further believe based on my knowledge of the program and my experience in law enforcement, that the number of UVISA requests will likely increase substantially in the future as immigrants become more aware of the existence of this program.
- 8) I have examined the Supplemental Appendix 1 and the Information therein and believe the activities and costs presented are directly related to implementing the subject law, and find that such costs are true and correct, in my opinion, "costs mandated by the State", as defined in Government Code, Section 17514.

I am personally conversant with the foregoing facts and information presented in declaration and in this Test Claim and if so required, I could and would testify to the statements made herein.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct based upon my own personal knowledge.

<u>U-Visa Certification Request</u>
Applicant:
Other Names:
Incident Report No.: 1103597

Dear Officer in Charge:

Re:

My office represents Mr. in his legal matters. On December 10, 2011, Mr. was a victim of a <u>felonious assault and</u> robbery. Copy of the Investigative Report is enclosed for your review.

Congress created the "U" nonimmigrant classification with passage of the *Victims of Trafficking and Violence Protection Act* (including the Battered Immigrant Women's Protection Act) in October 2000. The legislation was intended to strengthen the ability of law enforcement agencies to investigate and prosecute cases of domestic violence, sexual assault, trafficking of aliens and other crimes while, at the same time, offering protection to victims of such crimes. The legislation also helps law enforcement agencies to better serve immigrant crime victims.

On October 9, 2015, California Senate Bill SB674, "Victims of Crime: Nonimmigrant Status," was signed into law by Governor Jerry Brown. This new law <u>requires</u> certifying officials from certifying agencies to sign certification requests if the victim meets the requirements as explained above. Furthermore, the certifying entity is required to process the Form I-918 Supplement B certification <u>within 90 days of the request.</u>

Please note that a current investigation, filing of charges, prosecution, or a conviction are not required for a request of Form I-918 Supplement B certification.

Mr. provided law enforcement agencies with his full cooperation and provided as much information as he was able to. Mr.

Admitted to practice law in Florida
 Not liceroed to practice law in California
 Practice limited to federal immigration law

was fully cooperative and desirous for the prosecution of his attacker.

Certifying agencies include federal, state, or local law enforcement agencies, prosecutor, judge, or other authority that has responsibility for the investigation or prosecution of the criminal activity. The rule also includes other agencies such as child protective services, the Equal Employment Opportunity Commission, and the Department of Labor, since they have criminal investigative jurisdiction within their respective areas of expertise.

We would like to request your assistance in filling out the USCIS form I-918 Supplement B in regards to Mr.

This form is a necessity for victims of a crime seeking federal government assistance while their case is pending a resolution; Mr. qualify for such Immigration benefits pursuant to section 101(a) (15) (U) of the INA.

If you should have any question regarding the contents of this letter, please contact our office immediately.

Sincerely,

J. Eric Price, Esq. Attorney at Law /cg

Enclosures.

1. <u>Certificates of Participation and Revenue Bonds</u>. For services in connection with the issuance and sale of certificates of participation and revenue bonds, BB&K shall be paid a fee which will be the greater of (i) \$35,000 or (ii) an amount based on the total principal amount of the certificates of participation or bonds to be sold, computed as follows:

.50% of the first \$10 million of the amount of the certificates or bonds issued, plus

.25% of the next \$10 million of the amount thereof, plus

.125% of the amount thereof, if any, over \$20 million

2. <u>Community Facilities Districts ("CFD")</u>. For services in connection with the issuance and sale of bonds of community facilities districts, BB&K shall be paid a fee which will be the greater of (i) \$35,000 or (ii) an amount based on the total principal amount of the bonds to be sold, computed as follows:

.25% of the next \$10 million of the amount thereof, plus

.125% of the amount thereof, if any, over \$20 million

Notwithstanding the foregoing, in those cases where the fees are reimbursable by a third party, at BB&K's option it may proceed on an hourly basis and utilize the Third Party Reimbursable Legal Services category provided for in Section 3.7 of the Agreement with respect to services rendered for the formation of or annexation to a CFD, as well as the negotiation and preparation of funding agreements and joint financing agreements. Hourly compensation shall be payable solely from deposits of third parties and bond counsel fees shall be payable solely from the proceeds of the sale of bonds.

3. <u>Assessment Districts ("AD").</u> For services in connection with the issuance and sale of bonds of assessment districts, BB&K shall be paid a fee which will be the greater of (i) \$35,000 or (ii) an amount based on the total principal amount of the bonds to be sold, computed as follows:

.50% of the first \$6 million of the amount of the bonds issued, plus

.25% of the next \$10 million of the amount thereof, plus

.125% of the amount thereof, if any, over \$16 million

Notwithstanding the foregoing, in those cases where the fees are reimbursable by a third party, at BB&K's option it may proceed on an hourly basis and utilize the Third Party Reimbursable Legal Services category provided for in Section 3.7 of the Agreement with respect to services rendered for the formation of or annexation to an AD, as well as the negotiation and preparation of funding agreements and joint financing agreements. - 5. <u>Investment and Other Agreements</u>. For investment agreements, derivative transactions or interest rate swaps relating to any bond issue, a separate fee will be charged depending on the type of derivative. ### **BILLING POLICIES**

Our century of experience has shown that the attorney-client relationship works best when there is mutual understanding about fees, expenses, billing and payment terms... Therefore, this statement is intended to explain our billing policies and procedures. Clients are encouraged to discuss with us any questions they have about these policies and procedures. Clients may direct specific questions about a bill to the attorney with whom the client works or to our Accounting Department. Any specific billing arrangements different from those set forth below will be confirmed in a separate written agreement between the client and the firm.

### Fees for Professional Services

Unless a flat fee is set forth in our engagement letter with a client, our fees for the legal work we undertake will be based in substantial part on time spent by personnel in our office on that client's behalf. In special circumstances which will be discussed with the client and agreed upon in writing, fees will be based upon the novelty or difficulty of the matter, or the time or other special limitations imposed by the client.

Hourly rates are set to reflect the skill and experience of the attorney or other legal personnel rendering services on the client's behalf. Time is accrued on an incremental basis for such matters as telephone calls (minimum .3 hour) and letters (minimum .5 hour), and on an actual basis for all other work. Our attorneys are currently billed at rates from \$245 to \$725 per hour, and our administrative assistants, research assistants, paralegals and law clerks are billed at rates from \$136 to \$275 per hour. These hourly rates are reviewed annually to accommodate rising firm costs and to reflect changes in attorney status as lawyers attain new levels of legal experience. Any increases resulting from such reviews will be instituted automatically and will apply to each affected client, after advance notice.

# Fees for Other Services, Costs and Expenses

We attempt to serve all our clients with the most effective support systems available. Therefore, in addition to fees for professional legal services, we also charge separately for some other services and expenses to the extent of their use by individual clients. These charges include but are not limited to, mileage at the current IRS approved rate per mile, extraordinary telephone and document delivery charges, copying charges, computerized research, court filing fees and other court-related expenditures including court reporter and transcription fees. No separate charge is made for secretarial or word processing services; those costs are included within the above hourly rates.

We may need to advance costs and incur expenses on your behalf on an ongoing basis. These items are separate and apart from attorneys' fees and, as they are out-of-pocket charges, we need to have sufficient funds on hand from you to pay them when due. We will advise the client

from time to time when we expect items of significant cost to be incurred, and it is required that the client send us advances to cover those costs before they are due.

## Advance Deposit Toward Fees and Costs

Because new client matters involve both a substantial undertaking by our firm and the establishment of client credit with our accounting office, we require an advance payment from clients. The amount of this advance deposit is determined on a case-by-case basis discussed first with the client, and is specified in our engagement letter.

Upon receipt, the advance deposit will be deposited into the firm's client trust account. Our monthly billings will reflect such applications of the advance deposit to costs and not to attorneys' fees. At the end of engagement, we will apply any remaining balance first to costs and then to fees. We also reserve the right to require increases or renewals of these advanced deposits.

By signing the initial engagement letter, each client is agreeing that trust account balances may be withdrawn and applied to costs as they are incurred and to our billings, after presentation to the client. If we succeed in resolving your matter before the amounts deposited are used, any balance will be promptly refunded.

# Monthly Invoices and Payment

Best Best & Krieger LLP provides our clients with monthly invoices for legal services performed and expenses incurred. Invoices are due and payable upon receipt.

Each monthly invoice reflects both professional and other fees for services rendered through the end of the prior month, as well as expenses incurred on the client's behalf that have been processed by the end of the prior month. Processing of some expenses is delayed until the next month and billed thereafter.

Our fees are not contingent upon any aspect of the matter and are due upon receipt. All billings are due and payable within ten (10) days of presentation unless the full amount is covered by the balance of an advance held in our trust account.

It is our policy to treat every question about a bill promptly and fairly. It is also our policy that if a client does not pay an invoice within sixty (60) days of mailing, we assume the client is, for whatever reason, refusing to pay. We will then advise the client by letter that the client may pay the invoice within fourteen (14) days or the firm will take appropriate steps to withdraw as attorney of record. If the delay is caused by a problem in the invoice, we must rely upon the client to raise that with us during the fourteen (14) day period. This same policy applies to fee arrangements which require the client to replenish fee deposits or make deposits for anticipated costs.

From time to time clients have questions about the format of the bill or description of work performed. If you have any such questions, please ask them when you receive the bill so we may address them on a current basis.

# Changes in Fee Arrangements and Budgets

It may be necessary under certain circumstances for a client to increase the size of required advances for fees after the commencement of our engagement and depending upon the scope of the work. For example, prior to a protracted trial or hearing, the firm may require a further advance payment to the firm's trust account sufficient to cover expected fees. Any such changes in fee arrangements will be discussed with the client and mutually agreed in writing.

Because of the uncertainties involved, any estimates of anticipated fees that we provide at the request of a client for budgeting purposes, or otherwise, can only be an approximation of potential fees.

By signing this Agreement, Client acknowledges and authorizes that Rutan may communicate with Client on cellular phones, text messaging, and email, without encryption, notwithstanding the risk that such use and storage may heighten the risk of inadvertent or unintended disclosures or other adverse consequences occurring, including the loss of the confidential nature of Rutan's communications with Client.

All prior and contemporaneous conversations, negotiations, possible and alleged agreements and representations, covenants, and warranties with respect to the subject matter of this Agreement are waived, merged in this Agreement and superseded in and by this Agreement. This is an integrated Agreement.
- 3.15 <u>Governing Law.</u> This Agreement shall be governed by the laws of the State of California. In the event of any dispute, venue shall be the California Superior Court for the County of Los Angeles.
- **3.16** Amendment: Modification. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing and signed by both parties.

- 3.18 <u>Invalidity</u>; Severability. In the event that any covenant, condition or provision of this Agreement is held to be invalid, void or illegal, it shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or

# EXHIBIT "A" POLICY ON PROFESSIONAL FEES AND GENERAL TERMS OF ENGAGEMENT

# Professional Fees and Billing Procedures.

Unless otherwise agreed in writing by you and us, our professional fees will be based on the hourly rates of the attorneys and paraprofessionals working on your matter(s). Our hourly rates for attorneys and paraprofessionals are adjusted from time to time and generally as of January 1<sup>st</sup> of each year. Adjustments in billing rates will be reflected in the invoice for legal services which constitutes our written notice to you.

Rutan & Tucker, LLP bills its clients for costs advanced on a client's behalf, such as filing fees, transcript and deposition fees, reasonable travel expenses, and expert witness fees. The firm also charges for certain costs and expenses incurred on behalf of clients such as long-distance telephone calls, facsimile and telecopier transmissions, copying, scanning, printing, postage, mileage, messengers, and computerized research. Notwithstanding the foregoing, we may forward to you large disbursement invoices for your direct payment to the supplier. We make every effort to include disbursements in the statement for the month in which the disbursements are incurred. Some disbursements, however, may not be available to us until the following months, in which case a subsequent statement may be rendered to you for these additional charges, or an estimated amount may be included in the initial billing and an adjustment made when the actual disbursement information is available.

In the absence of other arrangements, our billing statements ordinarily will be rendered to you on a monthly basis.

Unless specifically agreed in writing, we cannot make any guarantee as to the amount which you will incur for attorneys' fees and costs in any matter, as those figures will wholly depend on the time and effort required to be devoted to such matter. Any estimates of anticipated fees and costs, whether for budgeting purposes or otherwise, are, due to the uncertainties involved, necessarily only an approximation of potential fees and costs. Unless specifically agreed in writing, such estimates are not a maximum or minimum quotation and are not binding. The actual fees and costs will be determined in accordance with the policies described above.

# General Terms.

We have been engaged to represent the person(s), company(ies) or organization(s) agreed to in writing by this firm. Unless agreed to in writing, we are not representing any of their respective city council members or other public officials, employees, affiliates, subsidiaries, or joint ventures. Accordingly, we can take on matters that may be adverse to these related parties or their legal interests, unless precluded by reason of the Rules of Professional Conduct.

Either of us may terminate the engagement at any time for any reason by written notice (delivered in accordance with the notice provisions set forth in the Agreement), subject on our part to compliance with the applicable Rules of Professional Conduct. If we terminate the engagement, we will take such steps as are reasonably practicable to protect your interests in the matter(s) for which we have been engaged. If you so request, we will use reasonable efforts to suggest to you possible successor counsel and provide it with whatever documents you have provided to us, but will retain materials that we have generated, as noted below.

Unless previously terminated, our representation of you in any matter will terminate upon our sending to you our final invoice for services rendered for such matter. Upon the termination of such representation, our own lawyer work product documents, notes and files (the "Work Product Files") pertaining to your matter will be retained by the firm. Your documents, property and files that are not Work Product Files (the "Client Files") will be, at your request, returned to you upon the termination of such representation. Both the Client Files (unless otherwise returned to you at your request) and the Work Product Files will be transferred to the person responsible for administering our records retention program. For various reasons, including the minimization of unnecessary storage expenses, we reserve the right to destroy or otherwise dispose of any such documents, property, files or other materials retained by us within a reasonable time after the termination of the engagement. Specifically, it is our current policy to store your Client Files for a period of five (5) years and at the conclusion of such five (5) year period we will make an attempt to contact you as to the disposition of your Client Files, but if we are unable to locate you, we reserve the right to destroy such Client Files.

You are engaging the firm to provide legal services in connection with specific matter(s). After completion, changes may occur in the applicable laws or regulations that could have an impact upon your future rights and liabilities. Unless you actually engage us after these matters have been completed to provide additional advice on issues arising from these matters, this firm has no continuing obligation to advise you with respect to future legal developments. In particular, please be advised that this firm does not undertake to perform further actions on your behalf in connection with renewal of perfection of liens, filing of UCC continuation statements, and the like in connection with any loan related matter. Further, we do not offer the service of annuity/maintenance fee payments with respect to patent prosecution.

We have made no representations, promises or guarantees to you regarding the outcome of any of your matters. Any comments about the outcome of your matters at any time during the performance of services do not constitute promises, guarantees, or assurances, as to the outcome of your matters.

Unless otherwise agreed in a signed writing, the firm shall have no responsibility to investigate or evaluate whether insurance is available for any matter covered by this engagement or to tender any matter covered by this engagement to any insurance carrier. If we are required to respond to a subpoena of our records relating to services we have

performed for you, or testify by deposition or otherwise concerning such services, then we will take reasonable steps to consult with you as to whether you wish to supply the information demanded or assert objections to the extent you may properly do so. You agree to pay us for our time and costs incurred in responding to any such demand, in accordance with the provisions of this letter, including, but not limited to, time and expense incurred in search and photocopying costs, reviewing documents, appearing at depositions or hearings, and otherwise litigating issues raised by the request.

In order to maximize efficiency, please be advised that attorneys and paraprofessionals at this firm routinely use the following communications methods to the fullest extent possible: e-mail, document transfer by computer, mobile telephones, and facsimile transfers.

Although not required in California, some states require that a law firm disclose the existence of errors and omissions insurance coverage applicable to the services to be rendered. Rutan & Tucker, LLP hereby confirms the existence of such insurance coverage for the purposes of complying with such a requirement.

# <u>Duty to Preserve Relevant Evidence in the Event of Litigation or Disputes.</u>

If you are currently involved in a dispute which has resulted or is likely to result in litigation, or if you become involved in such a dispute at a later date, please be aware that you have a legal obligation to preserve "documents and data" potentially relevant to any such dispute. In addition to the obvious fact that we may need the evidence to help prove or defend your case, the primary reason we need to tell you about this obligation is because, if you do not take such steps, you could suffer severe sanctions in any litigation (or arbitration) that might arise. Those sanctions could include, among others, direct and substantial monetary sanctions, "issue sanctions", resulting in a directed finding against you on certain issues in the case, or even possibly a directed judgment against you, resulting in loss of the entire case.

Compliance with the obligation to preserve all potentially relevant evidence may not be as easy as it sounds. Preservation obligations include, for example, the obligation to suspend normal document destruction routines and otherwise protect against inadvertent deletion of evidence, especially electronic evidence. You need to notify and work with all of your employees and managerial personnel who might possess any such evidence, and consider all of the places where such evidence might be located, such as, e.g., home computers, laptop computers, cell phones, backup devices, and a wide range of other electronic devices and physical locations outside your normal offices and outside your network. You also need to evaluate the extent to which any of your agents, outside professionals, or consultants may have evidence which should be preserved. Furthermore, all of this needs to be documented.

We ask that you coordinate with our professional staff to ensure that proper steps have been taken to preserve all potentially relevant evidence, including electronic evidence whenever litigation, or a dispute which may lead to litigation, arises. To the

extent that you have qualified and sophisticated in-house personnel experienced with document preservation activities, such coordination may simply consist of providing us with the documentation reflecting the steps taken and review of that documentation and the processes reflected. To the extent you do not have such in-house capabilities, our staff can help lead you through the process. In either event, it is very important for us to confirm the steps that have been taken so that we can later both establish your compliance with the obligation to preserve potentially relevant evidence and also utilize the documentation to coordinate the efficient identification, retrieval, and production of evidence for the presentation of your case.

Please let me know if you have any questions and, in any event, please let me know who within your organization would be best to coordinate these efforts so that I can put them in touch with our staff.
