Re: *Lead Sampling in Schools, Permit Amendment No. 2017PA-SCHOOLS, City of San Diego Public Water System No. 3710020, 17-TC-03, Second Request for Extension of Time to Submit Written Comments and Administrative Record*

Dear Ms. Halsey:

By letter dated April 13, 2018, the Commission on State Mandates (Commission) notified the State Water Resources Control Board (State Water Board) of the above-captioned Test Claim, and requested that the State Water Board submit written comments and the administrative record by May 14, 2018. The Commission subsequently granted the State Water Board's request to extend the due date for written comments and the administrative record to June 28, 2018. For the reasons set forth below, the State Water Board respectfully requests that the Commission extend the date for submission of written comments and the administrative record for an additional 46 days, or until **August 13, 2018**.

Despite best efforts, progress on this matter has been delayed by other priority and time-sensitive assignments, as well as by some unforeseen scheduling complications involving key personnel. The requested time extension will allow me the necessary time to navigate summer vacation schedules and coordinate my efforts with Division of Drinking Water staff and management and prepare the State Water Board's response. As I noted in my previous request for extension, the Test Claim, which comprises nearly 3000 pages, raises several novel and complex issues regarding the application of Propositions 218 and 26 to the issuance of drinking water supply permits. Not only will the Commission's decision serve as important precedent for other potential claimants who might file similar claims,¹ the ruling on this Test Claim could impact other aspects of the State Water Board's drinking water program moving forward.

Pursuant to section 1187.9, subdivision (a), of the Commission's regulations, so long as a postponement of a hearing would not be required, there is no prejudice to any party or

¹ As the Commission noted in its April 13, 2018 letter, the City of San Diego's Test Claim only applies to the City of San Diego. There are approximately 1,200 public water systems subject to the exact same amendment in their own permits.

interested party, and there is no other good reason for denial, a request for extension shall be approved. The Commission is tentatively scheduled to hear this Test Claim on January 25, 2019. The State Water Board appreciates the Commission's desire to maintain its schedule for this Test Claim, and respectfully submits that the requested extension will not cause the postponement of the January 25, 2019 hearing date or otherwise delay the work of Commission staff in consideration of this Test Claim. If, however, the Commission believes that granting this extension would constrain the time the Commission requires to prepare for hearing, the State Water Board also respectfully requests a corresponding postponement of the hearing date pursuant to section 1187.9, subdivision (b), of the Commission's regulations based on consideration of the preceding reasons. In particular, the number and complexity of the issues and scheduling complications noted above support postponement of the hearing.

Therefore, for the reasons set forth above, the State Water Board respectfully requests that the deadline for submission of written comments and the administrative record on the Test Claim be extended for 46 days, to **August 13, 2018**, and that the Commission reschedule the November 30, 2018 hearing date as needed. If you have any questions, please do not hesitate to contact me at (916) 341-5182 or David.Rice@waterboards.ca.gov.

I declare under penalty of perjury that this filing is true and correct to the best of my personal knowledge, information or belief.

Very Truly Yours,

David Rice
Senior Staff Counsel
