Dear Ms. Hagan and Ms. Sablan:

On January 18, 2019, the Commission on State Mandates (Commission) received the State Water Resources Control Board's and the San Diego Regional Water Quality Control Board's request for an extension of time to file comments on Test Claims 17-TC-05 and 17-TC-07 through 17-TC-28, which are not currently consolidated for hearing, and the administrative records on the above-named Orders.

On January 22, 2019, the Commission received the State Water Resources Control Board's and the Santa Ana Regional Water Quality Control Board's (Water Boards') request for an extension of time to file comments on Test Claims 17-TC-07 through 17-TC-28 and the administrative records on the above-named Orders.

Specifically, the Water Boards' request an extension of time for Test Claims 17-TC-05 and 17-TC-07 through 17-TC-28 for the following reasons:

- The Water Boards intend to coordinate efforts to analyze the merits of the Test Claims and develop written comments. Additional time to evaluate the merits of the Test Claims in a coordinated manner will result in more complete and thorough written comments;
- Compilation of the administrative records requires substantial time and resources;
- Analyzing the merits of the 23 Test Claims will require substantial attorney and staff time to review the documents, research the issues, and draft comments for the Test Claims; and
- There are competing work priorities associated with permitting and cleanup matters, basin plan amendments affecting water quality, and preparation for board meetings, and the intervening holidays made the coordination of efforts especially challenging.

Please be reminded that these Test Claims have not been consolidated, but are being addressed in this single approval letter for the sake of efficiency. The decision on whether to consolidate any or all of these matters for hearing will be made by the executive director once comments have been submitted and the records are thoroughly reviewed for analysis and hearing. Section 1187.9(a) of the Commission's regulations provide that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request shall be approved.

Ms. Hagan and Ms. Sablan

Therefore, Water Boards' comments and the official administrative record for 17-TC-05 and 17-TC-07 through 17-TC-28 are now due **March 29, 2019**. The claimants' rebuttal comments are now due 30 days from the service of the Water Boards' comments and administrative records.

These matters remain tentatively set for hearing as specified on the Commission's pending caseload which may be found at: https://www.csm.ca.gov/pending_caseload.php.

Sincerely,

Heather Halsey
Executive Director
