### **RE: Water Boards' Request for 60-Day Extension to Submit Written Comments**

*Water Code Section 13383(a) Phase I MS4 Trash Order Issued to the Cities of Brea, Cypress, Huntington Beach, Newport Beach, Orange, Seal Beach, Anaheim, Chino Hills, Costa Mesa, Garden Grove, Laguna Woods, Lake Forest, San Jacinto, Santa Ana, Tustin, Villa Park, and Yorba Linda, the County of Orange, and the Cities of Grand Terrace, Irvine, Placentia, and Rialto, Santa Ana Regional Water Quality Control Board, Effective June 2, 2017 [17-TC-07 to 17-TC-28]*

Dear Ms. Halsey:

The Santa Ana Regional Water Quality Control Board (Santa Ana Water Board) and the State Water Resources Control Board (State Water Board) (collectively, Water Boards) request a 60-day extension pursuant to section 1187.9 of the Commission's regulations to submit written comments in the above-captioned test claims. If granted, the Water Boards would be required to submit written comments for the twenty-two test claims concerning the Water Code Section 13383 Orders to Submit Method to Comply with Statewide Trash Provisions; Requirements for Phase I Municipal Separate Storm Sewer System (MS4) Co-Permittees within the Jurisdiction of the Santa Ana Regional Water Quality Control Board (Trash Orders) by **November 26, 2019**. The reasons for granting the extension are set forth below.

### **Procedural Background**

The Santa Ana Water Board issued the Trash Orders to MS4 permittees within its jurisdiction to implement statewide trash requirements adopted in 2015 by the State Water Board (Trash Amendments). Other regional water quality control boards also issued orders to implement the statewide Trash Amendments at or around the same time the Santa Ana Water Board Trash Orders were issued.

On September 27, 2018, the Commission notified the Water Boards and other interested parties that Water Code Section 13383(a) Phase I MS4 Trash Order Issued to City of Brea, Santa Ana Regional Water Quality Control Board, Effective June 2, 2017, 17-TC-07 submitted by the City of Brea was deemed complete. Then, on October 25 and 26, 2018, the Commission notified the Water Boards and other interested parties that seventeen similar test claims filed by the Cities of Cypress, Huntington Beach, Newport Beach, Orange, Seal Beach, Anaheim, Chino Hills,

E. JOAQUIN ESQUIVEL, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR

Costa Mesa, Garden Grove, Laguna Woods, Lake Forest, San Jacinto, Santa Ana, Tustin, Villa Park, and Yorba Linda, and the County of Orange (17-TC-08 to 17-TC-24) were deemed complete. Finally, on November 29, 2018, the Commission notified the Water Boards and other interested parties that four other test claims related to the Santa Ana Water Board Trash Orders filed by the Cities of Grand Terrace, Irvine, Placentia, and Rialto (17-TC-25 to 17-TC-28) were deemed complete. In addition to these twenty-two test claims, a similar test claim was filed by the City of San Juan Capistrano and the County of San Diego challenging a similar order issued by the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) and deemed complete.<sup>1</sup>

In the Commission's Notices of Complete Test Claim, the Water Boards were required to submit administrative records and written comments by a specified deadline. The Commission approved several requests to extend the deadline for the Water Boards to submit the administrative records and written comments.

The Water Boards submitted the administrative records for the test claims on March 29, 2019. On April 3, 2019, the Commission notified the Water Boards that administrative records were not in a searchable format and required the Water Boards to resubmit the administrative records in a searchable format by April 4, 2019. The Water Boards tried to address the searchability issues and resubmitted the administrative records by the deadline. On April 29, 2019, the Commission again notified the Water Boards that the records were not in a searchable format and required the Water Boards to resubmit the administrative records by April 30, 2019. The Water Boards asked for a 28-day extension to resubmit the administrative records, and the Commission granted the request. The Water Boards worked to address the searchability issues and resubmitted the administrative records on May 28, 2019. On July 17, 2019, the Commission notified the Water Boards that the administrative records for the Trash Orders and the State Water Board section 13383 investigative orders were in a searchable format, but that the record for the State Water Board Trash Amendments was corrupted and not legible. The Water Boards expended a substantial amount of time and resources to address the issues with the Trash Amendments record and resubmitted it on July 22, 2019 and again on August 6, 2019.

The current deadline to submit written comments for the pending test claims is September 27, 2019.

#### ***Basis for Extension Request***

The Water Boards devoted a significant amount of time and resources to address issues with the Trash Amendments administrative record. The Water Boards did not anticipate the additional work needed for the record and had to redirect time and resources intended for the comments for the twenty-two test claims. The Water Boards are continuing to coordinate with the San Diego Water Board to evaluate the test claims and prepare thorough written comments for the Commission. As the only attorney for the Santa Ana Water Board, I've had to continue to attend to other competing work duties (including new litigation, complex permitting matters, basin plan amendments, and site cleanup issues) and have not been able to work exclusively on the test claims. Additionally, I had a previously scheduled vacation in July and others who are involved with the coordination and review of the comments also had previously planned summer vacations that further limited time to work on the comments. For these reasons, the Water Boards seek additional time to submit written comments.

---

<sup>1</sup> The San Diego Water Board and the State Water Board also plan to file a 60-day extension request to submit comments for Test Claim No. 17-TC-05.

Section 1187.9, subdivision (a) of the Commission's regulations provides that any party or interested party may request an extension of time by filing a request with the executive director before the deadline for filing comments. If the postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, a request for extension of time to file comments shall be approved. Granting the Water Boards' request for a 60-day extension would be consistent with section 1187.9. The hearings on the twenty-two test claims are tentatively scheduled between July 24, 2020 and March 22, 2024 and would not require postponement if the request is granted. Additionally, the Water Boards do not believe the extension would prejudice any other party or interested party and are not aware of any other good cause for denial. For these reasons and those discussed above, the Water Boards ask that you approve this request and extend the deadline to submit written comments for the test claims in 17-TC-07 through 17-TC-28 to **November 26, 2019**.

Thank you for your consideration of this request. If you have any questions, I can be reached at (916) 341-5174 or by email at [Teresita.Sablan@waterboards.ca.gov](mailto:Teresita.Sablan@waterboards.ca.gov).

Sincerely,

Teresita J. Sablan
