In addition, Item 4 **Lead Sampling in Schools: Public Water System No. 3710020, 17-TC-03-R**, has been postponed to December 1, 2023, at the request of the claimant.

The bill further suspends and no longer requires until December 31, 2023, the physical presence of members or other personnel of the state body or the public as a condition of participation in or quorum for a public meeting; the identification of each teleconference location from which a member will be participating; the posting of the notice and agenda at each teleconference location; and the ability of the public to address the state body at each teleconference location.

The Commission is committed to ensuring that its public meetings are accessible to the public and that the public has the opportunity to observe the meeting and to participate by providing written and verbal comment on Commission matters. **If you want to speak during the hearing, you must use the "Raise Hand" feature in order for our moderators to know you need to be unmuted.
