County of Los Angeles, Claimant

Dear Ms. Kurokawa:

On December 2, 2025, the State Controller's Office's (Controller's) requested a three-month extension of time to file written comments on the above-stated Incorrect Reduction Claim, currently due on December 9, 2025. The request is due to "additional time is needed to thoroughly address the county's issues." The Controller requests a due date of March 9, 2026.

Government Code section 17553(d) provides that the Controller shall have no more than 90 days after the date the claim is delivered or mailed to file any rebuttal to an IRC. Therefore, this request is denied.

However, a stipulation of waiver between the Controller and the County of Los Angeles may permit an extension of time. Government Code section 17554 states, "with the agreement of all parties to the claim, the commission may waive the application of any procedural requirement imposed by this chapter or pursuant to Section 17553." In addition, the Controller may opt to wait and file its comments on the Draft Proposed Decision which will issue about eight weeks prior to the hearing which is tentatively set for June 12, 2026.

Very truly yours,

Juliana F. Gmur
Executive Director
