Dear Mr. Hartsfield:

In accordance with your letter of October 28, 1992, the above-entitled test claim was continued from the Commission on State Mandates hearing of November 19, 1992. In your letter, you stated that the continuance was needed in order to develop a response to the recommendation of the State Fire Marshall. Due to the time that has elapsed, please provide this office with an update on the district's development of a response to the State Fire Marshall recommendation, and when we may reschedule the claim for Commission hearing.
