City of Newport Beach
July 1990 CFIRS Manual
New California Fire Incident Reporting System (CFIRS) Manual

Commission staff are continuing to analyze this test claim and will not have a draft analysis prepared in time to permit your review and comment prior to the scheduled November Commission hearing. We do expect, however, to send you a draft analysis on or about October 24, which would permit the item to be scheduled for the Commission's December 19, 1996, hearing.

I apologize for any inconvenience caused by my deferral of this item.

Sincerely,

A handwritten signature in cursive script that reads "Kirk G. Stewart".

Kirk G. Stewart
Executive Director
