Re: *California Regional Water Quality Control Board, Los Angeles Region, Order No. 94-2012-0175, 13-TC-01 and 13-TC-02*  
Cities of Agoura Hills, Bellflower, Beverly Hills, Carson, Cerritos, Commerce, Downey, Huntington Park, Lakewood, Manhattan Beach, Norwalk, Pico Rivera, Rancho Palos Verdes, Redondo Beach, San Marino, Santa Clarita, Santa Fe Springs, Signal Hill, South El Monte, Vernon, Westlake Village, and Whittier, County of Los Angeles, and Los Angeles County Flood Control District, Claimants

Dear Ms. Halsey:

I am submitting this letter on behalf of all test claimants in consolidated Test Claim Nos. 13-TC-01 and 13-TC-02 to request one more extension of time in which to respond to the Water Boards' and the Department of Finance's comments. Claimants' response is currently due on November 30, 2018, based on extensions that your office previously granted. Although this office believed that we would be able to meet that date, one of our clients has asked for an additional 21 days to review the response that is being prepared, which given the amount of material in this matter is a lengthy one. Accordingly, we hereby request an extension of 21 days to and including December 21, 2018, in which to submit Test Claimants' response.

2 Cal. Code Reg. § 1187.9(a) provides that a request for an extension of time shall be approved as long as a postponement of the hearing would not be required, there is no prejudice to any party or interested party and there is no other

good reason for denial.

That is the case here. The Water Boards have submitted a 141 page response, supported by extensive documentation in addition to two administrative records. Although we have been diligently working on the response, this office must coordinate Claimants' reply with twenty-two cities, the County of Los Angeles, and the Los Angeles County Flood Control District. Given the number of issues raised in the response, one of the Claimants has requested an additional 21 days in order to review the response before it is filed.

No postponement of the hearing will be required; according to the Commission's website, this matter is now tentatively set for September 27, 2019. There is also no prejudice to any party, and no other good reason for denial of this request.

Claimants therefore respectfully request that their time in which to file a reply to the Water Boards and the Department of Finance's comments be extended to and including November 30, 2018. Thank you in advance for your consideration of this request.

I certify and declare under penalty of perjury under the laws of the State of California that the foregoing facts are true and correct to the best of my personal knowledge, information or belief.

Very truly yours,

Howard Gest
