Re: Request for Consolidation of Test Claim 17-TC-19 (City of San Jacinto) on Water Code Section 13383 Phase I MS4 Trash Orders Issued by the Santa Ana Regional Water Quality Control Board, Effective June 2, 2017

Dear Ms. Halsey:

I am the claim representative for the City of San Jacinto (City) regarding Test Claim No. 17-TC-19 in the above referenced proceeding (Test Claim). I am writing to request that pursuant to your authority as Executive Director under California Code of Regulations § 1183.5 you consolidate the City's Test Claim with all of the test claims that have been filed on the Water Code Section 13383 Phase I MS4 Trash Order Issued by the Santa Ana Regional Water Quality Control Board, Effective June 2, 2017 (Order), including, but not limited to, test claims 17-TC-08 through 17-TC-24.

As set forth in the City's test claim, the State Water Resources Control Board (State Water Board) adopted an *Amendment to the Water Quality Control Plan for Ocean Waters of California to Control Trash and Part 1 Trash Provisions of the Water Quality Control Plan for Inland Surface Waters, Enclosed Bays, and Estuaries of California* (Trash Amendments). Pursuant to the Trash Amendments, the State Water Board directed the nine regional water boards to each issue an order pursuant to Water Code section 13267 or 13383 mandating municipal separate storm sewer (MS4s) permittees to take certain unfunded planning and implementation actions towards compliance with the Trash Amendments. On June 2, 2017, the Santa Ana Regional Water Quality Control Board (Santa Ana Regional Board) issued individual orders to the MS4s throughout its jurisdictional area.

In reviewing the individual Water Code § 13383 orders issued by the Santa Ana Regional Board, and the individual test claims filed by the MS4s on those orders, the Water Code § 13383 orders are identical as are the test claims that have been filed with the Commission. As a result,

there are common and identical questions of law and fact among the test claims as to whether the Santa Ana Regional Board's orders constitute reimbursable state mandates.

Section 1183.5(a) allows the Executive Director to "consolidate part or all of any test claim with another test claim..., if necessary to ensure the complete, fair or timely consideration of any test claim." The City asserts that consolidation would promote consistent and timely decision-making on the test claims, thereby ensuring fairness to all Test Claimants. In addition, consolidation would generate efficiencies that would not be available were the test claims to be addressed in eighteen or more separate proceedings. For example, consolidation would allow the test claimants and interested parties to coordinate on claim management and briefing efforts, avoiding the submission of duplicative documents, such as comments and rebuttal comments. Although it cannot speak for these agencies, the City understands that the State Water Board, Department of Finance and Santa Ana Regional Board may be amenable to consolidation, as may Commission staff.

In addition, section 1183.4 states that a test claimant may file a formal motion for consolidation within 30 days of the Commission's completeness determination. Pending consideration of the City's request for the Executive Director to consolidate the test claims under section 1183.5, I ask that you also treat this request as a motion for consolidation under section 1183.4 or kindly extend the time limit under section 1183.4 by 30 days pending a response by your office

Thank you in advance for your consideration. If you have questions regarding this request, please do not hesitate to contact me.

I declare under penalty of perjury that the foregoing, signed on November 16, 2018, is true and correct to the best of my personal knowledge, information or belief.

Sincerely,

Ryan M. F. Baron
