Dear Ms. Sablan:

On November 20, 2019, the State Water Resources Control Board and the Santa Ana Regional Water Quality Control Board (Water Boards) filed its ninth request for extension with the Commission on State Mandates (Commission), this time requesting an additional 45-day
Ms. Sablan

Page 3

extension of time to file comments on the above-captioned Test Claims, currently due on November 26, 2019.

Specifically, the request states that the only attorney currently assigned to these matters has other competing work duties including complex permitting matters, basin plan amendments, and site cleanup issues. In addition, staff involved in the coordination and review of the comments have preplanned vacations during the holiday season. Finally, the Water Boards did not anticipate the additional work needed to address issues with the administrative record and had to redirect time and resources intended for the comments on the 22 Test Claims.

Please be reminded that none of these Test Claims have been consolidated, but are being addressed in this single approval letter for the sake of efficiency. The decision on whether to consolidate any or all of these matters for hearing will be made by the executive director once comments have been filed and the records are thoroughly reviewed for analysis and hearing.

Section 1187.9(a) of the Commission’s regulations provide that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request shall be approved.

Therefore, a 60-day extension is approved and the Water Boards’ comments on the Test Claims are now due January 27, 2020. It is expected that there will be no more requests for extension for these comments, since only 45 days was requested, but 60 days are being granted. The claimants’ rebuttal comments to the Water Boards’ and the Department of Finance’s comments are now due 30 days from the service of the Water Boards’ comments.

These matters are tentatively set for hearing as specified on the Commission’s updated pending caseload which may be found at: https://www.csm.ca.gov/pending_caseload.php.

Sincerely,

[Signature]
